

**FEDERAL COMMUNICATIONS BAR ASSOCIATION FOUNDATION  
CHAIRMAN ROBERT E. LEE SCHOLARSHIP AND INTERNSHIP FUND**

The **Federal Communications Bar Association Foundation**, a non-profit charitable and educational organization created under Section 501(c)(3) of the Internal Revenue Code, was established in 1991. The Foundation provides FCBA members with a vehicle for serving the community through volunteer efforts. Nearly 2,500 private and government lawyers, law students, and others interested in the field of communications law belong to the FCBA and the Foundation.

**The Foundation's mission is to:**

- (1) Support worthwhile communications-related and educational projects as well as other community service projects, particularly those directed towards children and students, through financial contributions and volunteer services provided by Foundation members and others; and
- (2) Foster greater public awareness and understanding of the development of communications technology, resources, and law.

**Chairman Robert E. Lee Scholarship and Internship Fund**

In 1993, the Foundation established a Scholarship and Internship Fund in memory of former Federal Communications Commission (FCC) Chairman Robert E. Lee, who passed away in April 1993 after serving at the FCC for almost thirty years. Chairman Lee was instrumental in the early development of color television, among other contributions to federal communications policy.

For the seventeenth consecutive year, the FCBA Foundation will award stipends to law students from its Chairman Robert E. Lee Scholarship and Internship Fund. In 2010, the Foundation will award at least five \$5,000 stipends to law students employed as unpaid summer interns in positions with the FCC and other government agencies or entities with a connection to the communications industry (i.e., broadcasting, cable television, telephony, satellite, wireless, and information technology).

In addition, the Foundation will select one intern among those chosen to receive an additional stipend of \$600 for the summer—the “Max Paglin Award.” Mr. Paglin was the former General Counsel and Executive Director of the FCC, and the founder of the Golden Jubilee Commission on Telecommunications, which compiled a definitive legislative history of the Communications Act.

**Applicant Selection:**

Applicants will be selected on the basis of: (1) a demonstrated interest in the communications field, (2) having secured or having pending, an unpaid summer position (internship) for at least 8 weeks in communications with a government agency or entities with a connection to the communications industry, (3) dependence on financial assistance in order to accept the unpaid internship in a government agency involved in communications; and, (4) community activities. To the extent a recipient receives unanticipated funding for the unpaid internship, the FCBA Foundation’s general policy is to reduce its scholarship awards by any amount that a recipient’s total funding (including all sources) for the internship would otherwise exceed \$7,000.

**Applications for a Lee Fund scholarship should be submitted to Kerry K. Loughney, FCBA Foundation, 1020 19th Street, N.W., Suite 325, Washington, D.C. 20036, by Friday, March 19, 2010. Applicants may be asked to interview with members of the Foundation Board; interviews may be conducted by telephone. Winners will be notified by Friday, April 16, 2010.**
