23rd Annual FCBA Charity Auction to be held on November 8

The FCBA Young Lawyers Committee and the FCBA Foundation will hold their 23rd Annual Charity Auction on **Thursday, November 8, 2012**, at the **Capital Hilton, 1001 16th Street, NW, Washington, D.C.**, from approximately 7:00 to 10:00 p.m. Admission is free and the event is open to the public.

Proceeds from this year's Auction will benefit two charitable organizations: **Transitional Housing Corporation** and the **FCBA Foundation**. Transitional Housing serves D.C.'s homeless and other at-risk children and their families by providing housing and support services. These include rapid re-housing for recently homeless families as well as transitional housing for families that have been homeless or living in shelters. They couple this assistance with a variety of youth counseling and enrichment services for the children (including homework support, tutoring, mentoring, and wellness education),

and they provide employment, mental health, and substance abuse counseling for their parents. Over the past 22 years, Transitional Housing has established a great track record of giving D.C. families the tools and support they need to break the cycle of poverty and establish economic independence in safe and stable housing environments.

The Charity Auction is one of Washington, D.C.'s premier "must-attend" events for the communications industry. The event features a live auction hosted by a professional auctioneer, silent auctions, and raffle drawings. Attendees should expect surprises and new and exciting prizes building on last year's record-setting event (more than \$137,000 raised), including vacation packages; electronics; tickets to Verizon Center events, concerts, theater shows, and various sporting events (including Redskins, Wizards, Capitals, and

PRESIDENT'S Message

DEAR MEMBERS:

We begin August in Washington with a sense of anticipation about what is to come; for example, the Nationals are grinding out some pretty amazing wins, setting themselves up as post-season contenders. We have an election coming in the fall and of course, we have several noteworthy FCBA events coming down the pike as well. Thanks to those organizations who have volunteered to sponsor the New Commissioners' Reception on September 13; more sponsors are welcome, and sponsorship and individual ticket information is contained on [page 13](#) of this newsletter. Our Young Lawyers, and the Charity Auction Committee, are busy organizing for the Charity Auction on November 8; if you have prizes to donate or great leads towards amazing prize "experiences," I know the Charity Auction Committee would very much like to hear from you!

Since last month, the various committees and chapters that are so critical to the delivery of programming have been formed and are listed on [page 4](#) of this newsletter as well as on the FCBA website. The Executive Committee held its first meeting of the year and the FCBA Foundation, headed by **Karen Brinkmann**, also has begun its work for the coming year.

I wanted to highlight the efforts of a couple of our lesser known but important committees: the Constitution and Bylaws Committee, the Membership and Marketing Committee and the Finance Committee. There's a short article in this newsletter describing the work of the Constitution and Bylaws Committee and I am thankful to **David O'Connor** and **Mark Denbo** for their willingness to serve this year.

The Membership and Marketing Committee this year is co-chaired by **Jim Blitz**, **Davina Sashkin**, **Peter Corea** and **Ryan Wallach**. While the Association is so fortunate to have as many engaged members as it has, the FCBA inevitably is affected by the same forces that over time reshape the nature and numbers of organizations that participate in the communications policy process. While we have the wherewithal to continue to do what we do very well, we have set as both a short and a long term goal to retain existing members and to attract new ones. This year's Committee is studying options, including perhaps injecting a little competition or prize incentives for existing FCBA members to bring in new members. More on that later, perhaps, but I wanted to publicly acknowledge the work of this key team as the membership renewal and membership solicitation process continues this month and likely into the fall. If you see Jim, Davina, Pete or Ryan anywhere soon, please share with them any ideas you have to make our membership processes better, and maybe even a little more fun.

My final point on committees is to alert the membership that we have a new Committee, that is the Finance Committee, which is an adjunct to the Executive Committee of the FCBA. Our ability to track and forecast revenues and expenses has been enhanced over the last couple of years by increasing the level of detail in bookkeeping. With that greater detail available, it seems prudent to conduct periodic tracking and review of FCBA finances by a core group of members who can review any issues in greater depth, perceive emerging trends and generally manage beyond just setting a budget for a single year. While the FCBA's Treasurer and Assistant Treasurer, along with the President, have assumed this role in the past, a formalized and expanded Finance Committee, that includes the Secretary, Assistant Secretary and two At-Large members appointed by the President, is now in place. The Finance Committee will be meeting throughout the year and reporting and providing insight to the Executive Committee. Many thanks to **Yaron Dori** for suggesting this addition to existing financial oversight and to Yaron and **Tom Power** for agreeing to assist as our At-Large members of the Finance Committee this year.

WELCOME AND INTRODUCTIONS

6:05 – 7:20 p.m.
NETWORK INTRUSION AND HACKING 101

Moderator:

Amy S. Mushahwar, Associate, Reed Smith LLP

Ethical hackers from SecureIT will demonstrate different types of system and network attacks and vulnerabilities. Presenters will demonstrate common enterprise vulnerabilities and what can be done about them.

The following topics will be discussed:

- Mobile devices – SecureIT will demonstrate some of the types of attacks that are perpetrated by sophisticated attackers, using mobile devices for exploitation of corporate networks. They also will demonstrate a novel technique for protecting against these and other insidious attacks.
- Malware and botnets – SecureIT will demonstrate novel, inexpensive, and easy to deploy techniques for observing malware that has otherwise circumvented network security. These botnets are the instruments of choice for the large-scale exfiltration of proprietary data from corporate networks.

- Application exploitation – SecureIT will demonstrate how individual applications can be exploited through both targeted and “industrial” attacks. They will then demonstrate a few coding practices that can help protect against these types of challenges.

The technical discussion will be followed by a mock data breach and a discussion of response strategies and tasks.

7:20 – 7:30 p.m.
BREAK

7:30 – 8:15 p.m.
DEVELOPING THE RIGHT POLICIES TO ADDRESS HACKING-INDUCED BREACHES

Fall ABA/FCBA Privacy and Data Security Symposium Tuesday, October 9, 5:00 – 7:30 p.m. Santa Clara University School of Law, Santa Clara, CA

The FCBA Privacy and Data Security Committee and the ABA Communications Law Forum present, "Privacy in Motion," the inaugural Fall Privacy & Data Security Symposium hosted by Santa Clara University School of Law in Santa Clara, California. If you plan to attend the IAPP Privacy Academy in San Jose, please join us. The keynote speaker will be the Honorable Catherine J.K. Sandoval, Commissioner, California Public Utility Commission. This event will feature two sessions focused on mobile issues:

1) MOBILE PRIVACY: DESIGNING FOR THE FUTURE

Moderator: Joanne McNabb, Director of Privacy Education and Policy, Privacy Enforcement and Protection Unit, California Department of Justice, Office of the Attorney General

Advancements in digital technology continue to change the way the world communicates via mobile devices and applications. How do the principles established in the White House's Consumer Privacy Bill of Rights and the FTC's 2012 Privacy Report relate to the development of new services and applications via mobile devices? Which best practices are the most important or productive? What role do state and/or federal governments have in privacy design? How can privacy by design principles best address children's privacy?

2) MOBILE PRIVACY: NAVIGATING THE CHANGING LANDSCAPE OF LAWS AND LAWSUITS

Moderator: S. Jenell Trigg, Member, Lerman Senter PLLC

Mobile communications, marketing and services, including LBS, are governed by an alphabet soup of statutes and regulations: TCPA, COPPA, CAN-SPAM, CPNI, etc. To complicate compliance even further, numerous class action lawsuits in state and federal courts have addressed issues and nuances that the Federal Communications Commission, Federal Trade Commission, and state regulatory agencies or legislatures have not. What are the legal rules of the road for mobile communications and marketing? How best can a service provider or app developer mitigate the legal risks?

Confirmed Panelists:

Laura Berger, Attorney, Federal Trade Commission

Eric Goldman, Professor of Law, Director of the High Tech Law Institute, Santa Clara University School of Law

John Heitmann, Partner, Kelley Drye & Warren LLP

Charity Auction – Prize Donations Needed!

The Auction Committee is looking for “priceless” prizes for this year’s FCBA Charity Auction (i.e., tickets to exclusive events, behind-the-scenes tours, and other unique prizes that can’t be obtained anywhere else!). Please consider whether you have any ideas or connections that would be helpful in procuring such items. “Priceless” prizes are always some of the most popular additions to our event.

The Auction Committee truly appreciates the tremendous support and enthusiasm shown by members of the bar with respect to the annual Charity Auction. Your generosity in the form of donations, volunteering, and participation in auction bidding is what makes this event so successful year after year. If you would like to make a donation, please use the **Auction Donation Form** on [page 14](#) of this newsletter. Contributions are tax deductible, to the extent permitted by law.

The 23rd Annual Charity Auction will be held on **Thursday, November 8, 2012**, at the **Capital Hilton, 1001 16th Street, NW, Washington, DC**, from 7:00 – 10:00 p.m. If you have any questions about the auction, please contact **Brendan Carr** (703-307-1778, brendancarr@gmail.com) or **Kerry Loughney** (202-293-4000, kerry@fcba.org).

Charity Auction – Call for Volunteers

Right now, the Auction Committee is looking for volunteers to help gather donations from local businesses to be used as auction prizes. Prize gathering is not only extremely critical to the success of the auction, but also a fun and rewarding process! To get started, send an e-mail to Auction Chair **Brendan Carr** at FCBAuction@gmail.com. Please identify particular neighborhoods or

businesses you would like to contact for donations, and if you have any other ideas for great prizes. In addition, if you would also like to help out later in the process by selling raffle tickets and/or volunteering

on the night of the auction, please let us know. Each volunteer can make a big difference, and together, we can make this one of the best auctions yet!

Survey Says...YLC Trivia Night A Success

On July 11, the FCBA’s Young Lawyers Committee hosted a battle of the minds during the annual Trivia Night. Six teams of FCBA members and summer interns competed against each other to be crowned the kings and queens of mostly useless knowledge. This year’s winning team, *Fleeting Expletives*, included: **Ross Cohen, Rafi Martina, Ellen Miles, Wes Plata, Patrick Thompson, and Geoffrey Weyl.**

The YLC would like to express deep gratitude to FCBA Executive Committee members **Julie Kearney** and **Tom Power** who served as guest judges. This year’s Trivia Night was planned by **Rachael Bender, Brendan Carr, Justin Faulb, and Matthew Gerst.** A special thank you to all the participants that survived a fun, but hot, evening.

Northern California Chapter Welcomes FCC Commissioner Ajit Pai

The FBCA Northern California Chapter welcomed new FCC Commissioner Ajit Pai and his advisor Matthew Berry on July 25, 2012 for a lunch meeting in San Francisco. Despite the panoramic view of San Francisco from the conference room windows, the Commissioner was able to stay on point. He impressed the attendees with his dedication to innovation and speeding up the agency process.

Volunteer for Martha's Table on August 26

Many of us are stretched for time these days, but why not consider spending a few hours on a Sunday to help the FCBA Foundation's partner charity? For many years now, the FCBA has been providing volunteers to Martha's Table. This organization relies on the good work of our members each month, so grab a

friend, colleague or family member and join your fellow FCBA volunteers!

Martha's Table feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin at **10:00 a.m. and work until 1:00 p.m.** Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to

bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the last Sunday of every month, so mark your calendars now. If you are able to volunteer on **August 26, September 30, October 28, November 25, or December 30**, please contact **Howard Weiss** at 703-812-0471 -- weiss@fhhlaw.com.

Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members' firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for presentations by speakers. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, stan@fcba.org, or **Kerry Loughney**, kerry@fcba.org.

7TH ANNUAL FCBA/ABA SYMPOSIUM ON PRIVACY & DATA SECURITY – DVD Now Available!

“Privacy Dangers, Dilemmas & Solutions for a Digital Age”

The DVD contains a video recording of the 4-hour symposium, plus a wealth of written materials.

SESSION I – CAN SOCIAL NETWORKING BE PRIVATE? – PRIVACY ISSUES RELATED TO ADVERTISING AND MARKETING ON SOCIAL NETWORK PLATFORMS

Facebook, Twitter, Foursquare and other social network platforms are the fastest growing media vehicles for commercial use, including marketing and advertising a company's goods and services. We will explore social network platforms' own privacy requirements and limitations for their users regarding how personal information is collected, used and disclosed, as well as rules and guidelines for conducting promotions and marketing using the social network. We will also discuss the potential privacy issues with the management of merged databases and compliance with various federal and state laws.

SESSION II - THE BUCK STOPS HERE! – MANAGING THE LIABILITY AND RISKS OF ENGAGING THIRD PARTY VENDORS AND SERVICE PROVIDERS

Most businesses use a third party to manage their websites and/or databases, develop mobile applications, send promotional and marketing tweets, text messages or emails, process online payment transactions, provide software and services for cloud computing, or administer social networking platforms and contests and sweepstakes. We will identify the risks and liabilities for such relationships, and discuss the due diligence, contracting, and post-engagement responsibilities required under state and federal statutes, regulations or guidelines, and industry best practices for engaging support for various digital-based services and products.

SESSION III - SMART PRIVACY CHOICES FOR MOBILE APPS

Mobile apps are breaking new ground not only in terms of what they can make your mobile device do, but also in terms of the data privacy and security debate. From games to location-based services, these apps do new and (sometimes) surprising things with your data. We will explore how apps-related privacy concerns have been and are being addressed under current statutes, regulations, class action lawsuits and self-regulatory frameworks and will offer practical guidance for navigating the road ahead.
