## PRESIDENT'S Message

### DEAR MEMBERS:

The past couple of months have been a busy time for planning our major fall events and programs. Continuing legal education seminars are in the works, committee meetings and chapter programs are falling into place, and a number of special member events are being planned as well.

On September 30, we'll hold a special reception with the new FCC Chairman and Commissioners and the new head of NTIA. The reception will be held at the Newseum. Participants will have access to the Newseum exhibits from 5:30 – 6:30 p.m., and the reception will begin on the terrace overlooking Pennsylvania Avenue starting at 6:30 p.m. Thanks to Lauren Van Wazer and Cox Enterprises for arranging for use of the Newseum for this special event.

Our annual reception with the FCC and NTIA Bureau and Office Chiefs will be held at the Capital Hilton Hotel on November 4. This is always a great opportunity to meet the Chiefs and their staffs, so I hope that many of you will attend. Look for more information in the coming weeks.

Our CLE programs will kick off on September 9 with a program sponsored by our Professional Responsibility Committee on new lobbying rules and restrictions in the Obama Administration. It's a very timely and important topic for our membership, and thanks to Jane Mago, Mike Altschul and Peter Connolly for pulling this together.

On October 29, our ad hoc Broadband Committee, in conjunction with the Wireless, Wireline, and Video Programming and Distribution Committees, will present a special half-day CLE on the government's action to create a national broadband plan – again, a very timely and important topic. Thanks to Nancy Victory and Barry Ohlson for heading this effort.

Also, don't forget the 20th Annual Charity Auction scheduled for November 12 at the Hamilton Crowne Plaza Hotel, Sphinx Ballroom at the Almas Temple. This year, the auction will benefit Bright Beginnings and the FCBA Foundation. These are very worthy causes and a much-anticipated event, so I hope to see many of you there.

And mark your calendars for the annual Chairman's Dinner on December 10. Look for more information in the October newsletter.

A couple of reminders: A few weeks ago, you should have received an online member survey. The response so far has been terrific, but if you haven't had time to fill it out, take a few minutes to do so. It's completely anonymous and will greatly help us in designing events, programs and services that are most relevant to the membership. (And thanks, again, to Mark Schneider and the Membership and Marketing Committee for putting this together.)

And, for those of you who haven't done so, please don't forget to renew your membership as soon as possible. Given the great lineup of events and programs this fall, you don't want to be left out of member discounts and services – and, you also don't want to be left out of the membership directory, which we're endeavoring to publish as early in 2010 as possible. So please renew today.

### Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members’ firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. We will be experimenting with some new presentation technology in future CLE seminars, which require more technical support than we have needed in the past.

In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for presentations by speakers. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, stan@fcba.org, or **Kerry Loughney**, kerry@fcba.org.

**IF YOU MISSED THIS 4-HOUR SEMINAR, BUY IT NOW!**

This seminar focuses on new state and federal laws, guidelines, developments, and risks that will impact privacy and data security for media and communications companies in 2009 and beyond under the new Obama Administration. It covered issues related to mobile marketing, behavioral advertising, social networking, the CAN-SPAM Act, fax advertising, security breach notification laws, state encryption and security practices and policies for protecting SSNs and credit card data, and much more. It also provides implementation specifics for the FTC’s new Red Flag Rules that apply to any entity that defers payment of services or goods; the FTC’s enforcement effective date is May 1, 2009. A wealth of written materials is also included on the DVD.

## 13th Annual Golf Tournament Rescheduled to Thursday, September 10

The FCBA Foundation golf tournament originally scheduled for June 5 has been rescheduled to Thursday, September 10. We hope you will be able to participate! Look for the **registration form on page 14** of the newsletter.

This year's tourney will take place **Thursday, September 10** with a Shotgun start at **8:45 a.m.** at Worthington Manor Golf Club in Urbana, MD. As in previous years, a scramble (Captain's choice) format will be used and the event is designed to ensure a fun day no matter whether your handicap is three, thirty or somewhere in between. All Eagle Sponsor Foursomes compete for the coveted Eagle Trophy, and many, many other prizes will be awarded thanks to the generosity of our corporate sponsors. Registration includes round, driving range, light breakfast and barbeque lunch.

In recognition of the current strains on everyone's budgets, we have kept registration fees unchanged from last year. But most importantly, remember that all proceeds go to the FCBA Foundation to support funding of unpaid communications-related legal internships and tuition grants for

deserving District of Columbia High School graduates—scholarships that are more important than ever!

Even if you don't play, there are many other ways to support this tournament. If interested in donating prizes or hole sponsorship, please contact Kerry Loughney, 202-293-4000 or [kerry@fcba.org](mailto:kerry@fcba.org).

## Volunteer Outreach for Martha's Table & McKenna's Wagon September 27

Many of us are stretched for time these days, but why not consider spending a few hours on a Sunday to help the FCBA Foundation's partner charities? For several years now, the FCBA has been providing volunteers to Martha's Table and McKenna's Wagon. These organizations rely on the good work of our members each month, so grab a friend, colleague or family member and join your fellow FCBA volunteers!

**Martha's Table** feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin at **10:00 a.m. and work until 1:00 p.m.** Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the last Sunday of every month, so mark your calendars now. For more information, contact **Howard Weiss** at 703-812-0471 — [weiss@fhhlw.com](mailto:weiss@fhhlw.com).

**McKenna's Wagon** is a mobile soup and sandwich wagon that goes "on location"

to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at **4:45 p.m.** in comfortable clothes and shoes. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 p.m.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **October 25, November 22, or December 27**, please contact **Joanna Georgatsos** at [georgatsos@lojlaw.com](mailto:georgatsos@lojlaw.com) or **Tom Van Wazer** at [tvanwazer@sidley.com](mailto:tvanwazer@sidley.com).

### **Richard M. Rindler 1944-2009**

Richard M. Rindler, a former partner in the Telecommunications Media & Technology practice at Bingham McCutchen LLP, passed away suddenly on August 2, 2009. Rich retired from the practice of law in 2007 to travel and pursue his many and varied other interests, but remained close to the many former colleagues and clients with whom he practiced for many years.

Rich's practice included litigation, regulatory, transactional and legislative matters. He was involved in the creation, financing, development, regulation and restructuring of telecommunications companies and he represented their interests in proceedings before the Supreme Court, numerous U.S. Courts of Appeals and District Courts, the FCC, and state courts and regulatory commissions. He played a key role on behalf of Metropolitan Fiber Systems (MFS) in developing a regulatory state public utility commission strategy for opening the local telecommunications market to competition and in formulating groundbreaking (pre-1996) petitions for FCC inquiry and rulemaking to establish local interconnection rules and regulations.

Rich also represented MFS and numerous other competitive local exchange carriers in key FCC proceedings arising out of the Telecommunications Act of 1996, having been extensively involved in drafting of the Act and its implementation at the FCC and in more than 30 states. He was particularly known for his expertise in complex intercarrier compensation issues.

Rich was a partner at Swidler Berlin LLP for 17 years prior to its merger with Bingham McCutchen in 2006. Prior to joining Swidler Berlin, he was a partner in the Washington office of Pepper Hamilton & Schetz, where his practice concentrated on the application of antitrust law to regulated industries – experience that he subsequently used to

great effect in the emerging competitive telecommunications environment. Previously he was an attorney with the Federal Trade Commission. He received his Bachelor of Arts degree in 1966 from McGill University and his Juris Doctor degree in 1969 from Georgetown University.

Rich was warm and caring person and excellent attorney who selflessly gave his time and attention to others. He was a wonderful mentor, role model and friend to all of the many attorneys with whom he worked over the years and was greatly appreciated and esteemed by his clients. He was unfailingly respectful to and respected by adversaries with whose positions he disagreed.

Rich is survived by his daughter, Sara Adland, of Washington, D.C. A memorial service will be held at 2:00 p.m. on September 24, 2009, at the Cosmos Club, 2121 Massachusetts Avenue, Washington, D.C.

### **Harry M. "Chip" Shooshan III**

Long-time communications attorney/consultant and FCBA member Chip Shooshan died on July 19 in Bedford, New Hampshire, at age 63, after a long illness. He had amyloidosis.

Chip was born in Wilmington, Delaware, and grew up in Bethesda, Maryland. He graduated from the Landon School in 1964 and from Harvard University, *magna cum laude*, in 1968. He began his career in Washington in 1969 as an assistant to Congressman Torbert Macdonald (D-Mass) and later was Staff Director for the Subcommittee on Communications and Power of the House Interstate and Foreign Commerce Committee. While working in Congress he attended Georgetown University Law School, from which he graduated in 1975. That year he became Staff Director and Chief Counsel for the new and separate Subcommittee on Communications.

Chip left the Hill in 1980 to form the consulting firm of Shooshan & Jackson, with Charles L. Jackson. In 1989 Shooshan & Jackson became a part of National Economic Research Associates. In 1992 Chip became a principal of Strategic Policy Research, a telecommunications and public policy consulting firm. In 2006, he joined Analysys Mason, a consulting firm specializing in telecom, IT and media.

Chip was the author of numerous studies and articles dealing with various aspects of communications and telecommunications policy. He testified before several congressional committees, the FCC and numerous state commissions with jurisdiction over telecommunications. He also testified as an expert witness in litigation and in proceedings before the Copyright Arbitration Royalty Panel. His clients over the years included cable, telecommunications and broadcast companies, as well as industry associations. Chip's many published articles include one in the May 1998 *Federal Communications Law Journal* titled "A Modest Proposal for Restructuring the Federal Communications Commission."

Chip also was an adjunct professor at Georgetown University Law School, from 1978 until 1991.

According to Chip's long-time friend and colleague Charles Jackson, one of Chip's great strengths was his ability to work with people from all disciplines. He could discuss economics with economists and network design with engineers. This talent allowed Chip to bring together the work of various specialists and communicate the result effectively to non-specialists.

Survivors include his wife of 13 years, Alisa Hamilton Shooshan, and their daughter; two daughters from his first marriage; and three grandchildren.

Contributions in Chip's memory may be made to the Amyloid Treatment & Research Program, 72 East Concord Street, Boston, Massachusetts 02118.

## If you missed this 4-hour Seminar, buy it now!

This seminar focuses on new state and federal laws, guidelines, developments, and risks that will impact privacy and data security for media and communications companies in 2009 and beyond under the new Obama Administration. It covered issues related to mobile marketing, behavioral advertising, social networking, the CAN-SPAM Act, fax advertising, security breach notification laws, state encryption and security practices and policies for protecting SSNs and credit card data, and much more. This year a new session discussed contracting with third parties (including advertisers and your own affiliates), requirements for due diligence for service providers, mergers and acquisitions, and an overview of insurance policies and minimum coverage requirements for privacy and data security liability. It also provides implementation specifics for the FTC's new Red Flag Rules that apply to any entity that defers payment of services or goods; the FTC's enforcement effective date is May 1, 2009. A wealth of written materials is also included on the DVD.

### SESSION I – PRIVACY AND DATA SECURITY ISSUES RELATED TO OPERATIONS AND EMPLOYEES
