

Diversity Pipeline Program: Ongoing Summer Support

“The FCBA’s inaugural Diversity Pipeline Program is not merely an internship program but aims to develop an elite core of next generation TMT law and policy lawyers.”

The Diversity Pipeline Program is pleased to continue its Diversity Pipeline TMT Law and Policy Certificate Program with supplemental summer sessions to foster the development of diverse TMT law and policy professionals. The summer sessions will offer substantive skills development, mentoring, and continued support from May through July, 2021.

The Summer Sessions will include:

- Enrichment courses focusing on writing and other skills development;
- Social and networking events;
- One-on-one mentoring opportunities with experienced TMT law and policy professionals;
- Access to FCBA Summer Communications Law Series; and,
- Access to FCBA Foundation stipend opportunities.

As an added benefit, all TMT Law and Policy Certificate Recipients and Diversity Pipeline Interns will receive a free one-year membership to the FCBA – the Tech Bar, the leading organization for communications lawyers and other professionals since 1936. FCBA membership opens the door to a wealth of substantive skills, networking, and mentoring opportunities for students interested in TMT law, including through the FCBA’s Young Lawyers Committee. Please register for free membership here: <https://www.fcba.org/wp-content/uploads/2021/04/DPP-Law-Student-Comp-Membership-Form.pdf>

The Summer Series will meet on the third Wednesdays in the months of May, June, and July, in the evening, and will be led by DPP Co-Chairs and other special guests from the TMT law and policy field. All students that have secured an internship or TMT Law and Policy Certificate are encouraged to attend the Summer Sessions, but participation is voluntary.

All students that have been offered an internship by the Participating Employers will be registered for the Summer Series automatically, but attendees of the TMT Law and Policy Certificate Program are also eligible to attend the Summer Series. Certificate Program attendees who want to participate in the Summer Series should email DiversityPipeline@fcba.org (with the subject line: “RSVP for Ongoing Support”).
