

## Friends of the FCBA Sponsorship Program

Given the impact of the COVID-19 pandemic, the FCBA created the **Friends of the FCBA** sponsorship program last year to help underwrite the activities of the association during this challenging time.

**We cannot offer enough thanks to those organizations that participated in the Friends of the FCBA program or sponsored other FCBA events this past fiscal year.**

Many of our long-time supporting organizations continue to indicate to us that they would like a way to direct their funds that were originally budgeted for FCBA events to the organization. We have decided to renew the **Friends of the FCBA** program in light of the continued effects of the global pandemic to spotlight those organizations that have gone above and beyond to support the FCBA during the 2021-2022 fiscal year.

**Friends of the FCBA** will be recognized as detailed below throughout the remainder of the 2021-2022 fiscal year (*through June 30, 2022*).
