Tuesday, April 12, 6:00 – 8:15 p.m. Encryption and its Role in Security and Privacy in Communications: Understanding the Technical and Policy Ins and Outs

The FCBA Engineering and Technical Committee will hold a CLE on **Tuesday, April 12** from **6:00 – 8:15 p.m.** entitled: “Encryption and its Role in Security and Privacy in Communications: Understanding the Technical and Policy Ins and Outs.” This program will be held at Mayer Brown LLP, 1999 K Street, NW.

Encryption is widely recognized as not only a tool to ensure that communications are accessible only by authorized persons, but also for other uses, such as verifying authenticity and preventing the undetected change of information content. With the rise of the digital economy and the “Internet of Things,” encryption’s role has become increasingly important in protecting against cybercrime, espionage, and other Internet-based threats. At the same time, some in the national security and law enforcement community view strong encryption as a challenge. Recent events, such as the attacks in San Bernardino, CA and Paris, France, have intensified this debate, on Capitol Hill, within the Federal agencies, and elsewhere.

Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members’ firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events.

In general, we need conference rooms that can seat at least 30 people at tables for brown bag lunches and committee meetings and conference rooms that can seat at least 60 people theatre style for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. Brown bag lunches are generally held from 12:00 – 1:30 p.m. and CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, and video projection capabilities for PowerPoint presentations. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Kerry Loughney**, kerry@fcba.org or **Starsha Valentine**, starsha@fcba.org.

20th Annual FCBA Foundation Golf Tournament to be held Thursday, June 16 Returning to Westfields!

On Thursday, June 16, we will return to Westfields Golf Club – a course that has become a fast favorite of participants, with remarkably beautiful and pristine track especially for a course so close to downtown DC. **Westfields Golf Club**, just off Route 66 in Centerville, VA, is a Fred Couples designed course and one of best in the area -- while still being fun and accessible for the high-handicappers among us. Westfields is also considered one of the best places in the area to hold a golf outing, combining a great course with terrific hospitality.

Additionally, we will be repeating last year’s well received change by holding the Tourney in the afternoon in order to allow our workaholic friends to get in a few hours at the office (or plenty of time to warm up on the range). Shotgun start will be at 1:00 p.m. followed by a delicious post-round Buffet BBQ Dinner.

As always, all of the proceeds from the Tournament go straight to the FCBA Foundation to support its wonderful programs, including the Scholarship programs and the Summer Legal Internship

program. Over the years, the Tournament has raised over \$400,000 for the FCBA Foundation charities, all under the auspices of getting together with your colleagues for an enjoyable day of golf! Our goal and motto: “What a great concept: Do good and have fun at the same time!” We hope you can join us this year!

See registration details on [page 24](#) of this newsletter and sign up today! The Golf Committee always welcomes prize donations or those interested in helping out! Contact Lee G. Petro at Lee.Petro@dbr.com if you want to help!

Volunteer at Martha’s Table on April 24

On **Sunday, April 24** from **10:00 a.m. – 1:00 p.m.**, the FCBA will be preparing and distributing food at the FCBA Foundation’s partner charity, Martha’s Table. The FCBA has been meeting monthly to volunteer at Martha’s Table for many years. Martha’s Table feeds hundreds of homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Martha’s Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food. Any food donated by volunteers might not be used the same

day you volunteer; any food donations will be used at the discretion of Martha’s Table staff.

Please mark your calendars, bring your friends and children (they must be at least nine years old), and participate in this great volunteer effort. If you have questions or need more information, please contact **Russ Hanser** at RHanser@wbklaw.com.

The FCBA volunteers on the **last Sunday of every month**, so mark your calendars now!

In order to volunteer, go to <http://fcba.marthastable.volunteerhub.com/>.

Volunteer Cancellation Policy: Our ability to serve the community is based on the hard work of our volunteers and many supporters.

- If you schedule and DO NOT show up for your shift, we CAN NOT serve the community to the best of our ability.
- 24 hour canceling or rescheduling notice is required. In the event that you are unable to come in for your volunteer shift please contact the Volunteer Program Assistant so that Martha’s Table can make other arrangements.
- Because we depend so heavily on volunteers, we need to make sure we recruit RELIABLE volunteers. If you do not provide us with 24 hours’ notice, we will have to reconsider whether we can reschedule for a future volunteer date(s).

On March 22, the Northern California Chapter held a reception and informal gathering of local members to celebrate the 20th Anniversary of the Telecommunications Act. Approximately 20 members and area practitioners gathered for this event at the San Francisco offices of Perkins Coie.

Young Lawyers Committee Event held March 14

On March 14, young lawyers from the public and private sectors attended a brown bag lunch to learn how to develop their practice to become effective outside counsel and what it is like to work in-house. Justin Faulb moderated the panel, asking communications professionals Matthew Brill, Markham Erickson, Angie Kronenberg, Austin Schlick, and Steven Teplitz, their experiences working in-house and at firms representing industry clients.

THE FEUD AWAKENS: THE PHANTOM MENACE OF FCC REGULATIONS

The FCC Enforcement Bureau may not be the Death Star. But it doesn't take kindly to those who don't follow the rules. This year, the seminar's only game show returns from a galaxy far, far away to focus on the dark side of FCC regulations. Our panel will depend on you — the audience — to predict what our survey says in response to questions that plague broadcasters throughout the universe, from accessibility to indecency to alien broadcast ownership.

Whether it's the new AM rules, online public files, retransmission consent, or the effect of a light saber on a digital noise limited service contour, our Jedi panelists will channel their inner Solo and blast their way through the tangled swamps of FCC policy to analyze the top five answers on the board. We hope you'll be there to play the feud, and, in the meantime, may Enforcement not be with you ... or your clients.

THE FORCE IS WATCHING – THE RETURN OF THE JEDI, AND ENFORCEMENT BUREAU

The last few years have seen a return to the "dark side," at least for those broadcasters who have experienced complaints and enforcement issues over the past few years. Our panelists will debate and discuss the key legal and regulatory policy issues regarding promotions, advertising, and sales that broadcasters need to know. Learn how to avoid being summoned by the Emperor, or the FCC, and what you should do if relying on the Force is not enough.

THE FUTURE OF TELEVISION: ATSC 3.0 – A NEW HOPE?

Difficult to see. Always in motion is the future. 4K signals with high quality, immersive audio. More channels within the same bandwidth. Broadcasts to TVs in the home and to mobile users on smart phones and tablets. Decide the industry must. How to serve viewers best. But must consumers unlearn what they have learned? Is it truly time for twilight to fall upon ATSC 1.0? If you find yourself in a dark place because little you know about the new digital broadcast standard, our Grand Masters will provide the knowledge to light your way.

From traditional privacy and marketing concerns regarding newsgathering, advertising and on-air content, and automated calls, to newer issues involving websites, children's online protection, information collected from purchasers of station merchandise, and use of unmanned aerial vehicles, broadcasters face challenges on a galactic scale. 2016 National TELECOMMUNICATIONS MOOT COURT COMPETITION

The 22nd Annual National Telecommunications Moot Court Competition held on February 27, 2016, yielded five well prepared teams who competed at the highest level of appellate advocacy competition.

Students from the University of Colorado Law School received top honors at the Annual National Telecommunications Moot Court Competition. **Cole Woodward, Spencer Rubin, and Colin Oldberg** edged out their classmates in an intra-school battle for the Best Overall award.

Second place went to **Jared Lerner** and **Anthony Cagnetti** from University of Baltimore. The team also took home the honor of Best Brief.

Kirisha Marshall from the Howard University School of Law was named Best Oral Advocate.

Sponsored by the FCBA and the Law and Technology Institute (LTI) at The Catholic University of America, Columbus School of Law, the competition featured teams from across the country. This year's competition problem considered a carrier's duty to protect customer proprietary information under Section 222(a) of the Communications Act, and statute of limitations and excessive penalty challenges for imposing a forfeiture penalty.

A highlight of the competition was the final round panel presided over by FCBA President **Christopher Wright** of Harris, Wiltshire & Grannis LLP, **Sean Lev** of Kellogg, Huber, Hansen, Todd, Evans & Figel, PLLC, and **Theodore Frank**, Retired Partner at Arnold & Porter LLP.

Megan La Belle, Co-Director of the LTI and Associate Professor of Law at Catholic served on the Steering Committee, with substantial assistance from 2016 J.D. Candidate **Danielle Thumann**. The FCBA Moot Court Committee was co-chaired by **Sean Lev** of Kellogg, Huber, Hansen, Todd, Evans & Figel, PLLC; **Susannah Larson** of Harris, Wiltshire & Grannis LLP; **Stephanie Roy** of Steptoe & Johnson LLP; **Andrew Schwartzman**, Lecturer in Law at Georgetown Law; **Donna Gregg**, Senior Adjunct Fellow at Free State Foundation; and Executive Committee members **John Nakahata** of Harris, Wiltshire & Grannis LLP and **Lee Petro** of Drinker Biddle & Reath LLP.

The FCBA congratulates and thanks all of the student competitors, faculty members, and administrators who participated in the competition. It also expresses its gratitude to Catholic University and the many FCBA members who served as judges and graded competitors' briefs.

In MEMORIAM

Matthew Leibowitz (1950-2016)

Matthew Leibowitz, founding partner of Leibowitz & Associates, P.A., Miami, Florida, died February 24 of cancer in Miami. He was 65.

Matt was born in Brooklyn, New York on November 12, 1950. He attended Great Neck North High School where he was class president. He graduated from Syracuse University in 1972 and the University of Miami Law School in 1975. After a stint in the then-Broadcast Bureau and its then-Hearing Division during the period 1975-1979, Matt left the Washington area for Miami where he continued to practice communications law.

Among his professional accomplishments was the successful representation of Florida Cellular Telephone Company,

the non-wireline applicant for the Miami market, in one of the initial, top-30 market comparative hearings. The client was a joint venture of the Washington Post and several radio common carriers.

Matt also represented the South Florida Broadcasters Association. In that capacity, he was instrumental in securing relief for AM broadcasters to increase power in order to offset Cuban interference. The issue was high-profile with Congress also weighing in to pass legislation allowing broadcasters compensation for the costs of overcoming the interference.

Matt was active in Big Brothers and Big Sisters. He maintained contact with his little brother over the course of 30 years, and that person in fact spoke at Matt's funeral.

Matt was also an avid boater and sailor. He loved the companionship of his dog, and was active in politics, having been

involved in many campaigns.

Matt is remembered by childhood and high school friends for his warmth and his leadership. As one friend said, he was "a genuine person who made those around him feel good about themselves." Joe Belisle, Matt's colleague in the firm for 31 years, remembers him as a person whose defining characteristic was "unbridled optimism."

Matt is survived by his sons, Brandon and Ryan Leibowitz, his sister, Rita Hurwitz, and his mother, Hennie Leibowitz.

His final wishes specified that in lieu of flowers, any donations in his memory be made to Big Brothers Big Sisters or to the American Cancer Society.
