In MEMORIAM

Joel Kaufman (1960 – 2014)

Joel Kaufman, Associate General Counsel and Chief of the Administrative Law Division of the FCC's Office of General Counsel, passed away on October 29, 2014, after a ten month battle against brain cancer. He was 53 years old.

A member of the FCBA since 1995, Joel will be remembered for his 26 of service at the FCC, where he was instrumental in crafting decisions on such complex issues as universal service, media ownership and spectrum auctions. Joel worked with both Commissioners and staff to ensure that the FCC's orders were legally sound.

As one of his colleagues noted at his memorial service, Joel was the "go to" person whenever a difficult legal issue confronted the agency. He had a reputation for approaching every task in an organized and intelligent manner designed to build consensus. His encyclopedic knowledge of FCC administrative law allowed him to develop strong arguments that would withstand judicial scrutiny. He was always willing to meet with outside attorneys to discuss their concerns.

As the Chief of the Administrative Law Division, Joel set very high standards for FCC documents and work product. He mentored and inspired each attorney to do his or her best work. Joel's demeanor made him well-suited to his role. He often

listened to others for some time before offering his carefully-considered view. And, quite apart from his substantive contributions, Joel used his dry, quick wit to insert insightful, tension-breaking comments at just the right moment. His unique laugh was contagious and helped create a congenial working environment.

Joel was born and raised in Rhode Island. He was the valedictorian of both his high school and college classes. He graduated from Providence College then Duke University Law School, where he was a member of the Honor Society. After earning his JD in 1985, Joel was admitted to the District of Columbia Bar and joined the law firm of Cadwalader, Wickersham & Taft. He joined the FCC in 1993.

Outside of his legal career, Joel was committed to Reconstructionist Judaism. He served as a member of Adat Shalom Reconstructionist Congregation and as a member of its Board. He was also the informal librarian of the synagogue. His other interests included a passion for U.S. presidential history, space exploration, stamp collecting and the Boston Red Sox.

Joel is survived by his wife Debra Tropp, who lives in Kensington, Maryland. Donations to Joel's memory can be made to the Adat Shalom Reconstructionist Congregation in Bethesda, Maryland; the American Brain Tumor Association; the Musella Foundation; or the Southern Poverty Law Center.

Thursday, December 11, 6:00 – 8:15 p.m. Internet Governance: Results of Plenipotentiary-14, and Prospects for IANA Transition and UNGA-15

The FCBA International Telecommunications Committee will hold a CLE on Thursday, December 11 from 6:00 p.m. – 8:15 p.m. entitled “Internet Governance: Results of Plenipotentiary-14, and Prospects for IANA Transition and UNGA-15.” This program will be held at Arnold & Porter LLP, 555 12th Street, NW.

In December 2012, the International Telecommunication Union (ITU) held a treaty conference to revise its Telecommunication Regulations (WCIT). That conference exposed a rift between those Member States who wanted greater control over Internet Governance and those – such as the U.S. and Europe – committed to the Multistakeholder model. Subsequent surveillance-related issues underscored the importance of these issues at subsequent meetings at the ITU, at other U.N. bodies, and at various “multistakeholder” groups and meetings. In spring 2014, the Department of Commerce launched a process to transfer its remaining oversight of the “IANA” function. This kick-started a process being coordinated by the Internet Corporation for Assigned Names and Numbers (ICANN), and initiated Congressional debate about the wisdom of this action. In addition, Internet Governance issues will be central to the quadrennial ITU Plenipotentiary Conference, held October 20 – November 7 in Korea. Finally, the U.N. General Assembly (UNGA) will address these issues in 2015.

This CLE will examine the legal and policy outcomes of the Plenipotentiary, and how any alterations to the treaty or resolutions (particularly regarding Internet Governance) could affect U.S. interests, including business. It also will review the IANA transition process to date and expected future timing. Finally, the CLE will examine how to maximize the private sector’s role in UNGA’s 2015 review of Internet Governance.

To register, [click here](#) or go to the [FCBA Website – Calendar of Events](#) or use the form on [page 19](#).

selling products. “BUILDerS” also receive extensive academic training, including classroom tutoring, free SAT and ACT prep courses, college application guidance, and financial aid support. BUILD’s efforts have had a demonstrable impact on the lives of these students, with 100 percent of BUILD Metro DC seniors having graduated high school and enrolled in a college or university. The FCBA Foundation will use proceeds from the Charity Auction to support its annual scholarship program.

This year’s Charity Auction was held at the Almas Temple, and it drew a large and lively crowd. In addition to bidding at silent auction tables and a raffle, the evening included a live auction featuring award-winning professional auctioneer **B.J. Jennings**. Facilitating the bidding were celebrity emcees **David Gross** and **Jane Mago**. We would like to extend a special thanks to the auctioneer and emcees for their entertaining and effective efforts!

This year’s **GRAND PRIZE** for the raffle was an **LG OLED TV, 55-inch Model 55EC9300, Pencil-Thin, Limitless Contrast, Unparalleled Color**, valued at \$3,500. Congratulations to **Bryan Tramont**, the grand prize winner. Thank you to everyone that purchased raffle tickets – we raised over \$15,000 for BUILD Metro DC and the FCBA Foundation from raffle sales!

As always, FCBA members were generous in their prize donations and in their bidding at the Auction. The Charity Auction Committee is deeply grateful to all prize donors and the winning bidders for helping to make the Auction a success. Thank you to all of the FCBA members and law students that volunteered time and energy to plan the Auction, solicit prizes, and work the night of the Auction. The Auction Committee, Subcommittee Co-Chairs, law student volunteer recruiters, and volunteers are listed on [page 11](#) of the newsletter. Thanks also to the FCBA Executive Committee, the FCBA Foundation Board, and the entire FCBA office staff for their assistance and support!

Finally, we would like to thank our sponsors. The Auction would not have been possible without their generosity and support: **AT&T Services, Inc., Cahill Gordon & Reindel LLP, Cooley LLP, Covington & Burling LLP, CTIA – The Wireless Association, Davis Wright Tremaine LLP, DISH Network,**

Harris, Wiltshire & Grannis LLP, Hogan Lovells US LLP, National Association of Broadcasters, T-Mobile US, Inc., Wiley Rein LLP, Wilkinson Barker Knauer, LLP, and Willkie Farr & Gallagher LLP.

FOUNDATION News

Volunteer at Martha’s Table on December 28

On **Sunday, December 28** from **10:00 a.m. – 1:00 p.m.**, the FCBA will be preparing and distributing food at the FCBA Foundation’s partner charity, Martha’s Table. The FCBA has been meeting monthly to volunteer at Martha’s Table for many years. Martha’s Table feeds hundreds of homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Martha’s Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs

out of donated food. Any food donated by volunteers might not be used the same day you volunteer; any food donations will be used at the discretion of Martha’s Table staff.

Please mark your calendars, bring your friends and children (they must be at least nine years old), and participate in this great volunteer effort. If you have question or need more information, please contact **Howard Weiss** at 703-812-0471, weiss@fhhlaw.com.

The FCBA volunteers on the **last Sunday of every month**, so mark your calendars now!

In order to volunteer, go to <http://fcba.marthastable.volunteerhub.com/>. Please also notify Howard Weiss, weiss@fhhlaw.com.

Volunteer Cancellation Policy: Our ability to serve the community is based on the hard work of our volunteers and many supporters.

- If you schedule and DO NOT show up for your shift, we CAN NOT serve the community to the best of our ability.
- 24 hour canceling or rescheduling notice is required. In the event that you are unable to come in for your volunteer shift please contact the Volunteer Program Assistant so that Martha’s Table can make other arrangements.
- Because we depend so heavily on volunteers, we need to make sure we recruit RELIABLE volunteers. If you do not provide us with 24 hours’ notice, we will have to reconsider whether we can reschedule for a future volunteer date(s).

BUSINESS ATTIRE

Pursuant to the Office of Government Ethics regulation on widely-attended gatherings (5 C.F.R. 2635.204(g)(2)), the Chairman's Dinner appears to qualify as a widely attended gathering. The value of an individual ticket to the dinner is \$275.00. Most employees of the Federal Communications Commission may be directly invited to attend the dinner as guests of individuals and organizations purchasing tables or tickets. In most cases, individuals and organizations may issue invitations to the Chairman's Dinner without the involvement of the FCBA. Some agencies, departments and branches of the Federal Government, however, apply additional stipulations above the regulations issued by the Office of Government Ethics. Individuals who have signed the Administration's Ethics pledge cannot accept invitations from most registered lobbying organizations or registered lobbyists. While this event has qualified as a widely-attended-gathering in previous years, each FCC employee is required to obtain individual ethics clearance based on matters they are working on within the Commission. Employees of the Commerce Department are required to obtain individual ethics clearance through the Department's Office of General Counsel. Invitations to Members of Congress, Congressional Staff, and employees of the Department of State must be issued by the FCBA. Contact the FCBA for additional information. ****Requests for invitations to be sent from the FCBA must be emailed to chairmans.dinner@fcba.org by Monday, November 17. Invitations will be sent on a "first-come, first-served" basis.**
