## BOBBY BAKER

CONTINUED FROM PAGE 1

Georgetown University Law Center and a 1968 graduate of the University of Florida. Since 1979, he has either been on the staff or in charge of the Political Programming Office of the Media Bureau. Bobby has headed that office for the last 20 years. As the FCC's foremost authority on political programming regulation, Bobby travels extensively throughout the United States to speak to broadcasters and cable television operators to assist in furthering compliance in this complicated and time-sensitive area. Bobby also advises the offices of the Chairman and other FCC Commissioners, the Office of General Counsel and the Media Bureau on all

political programming issues. He has authored numerous FCC opinions and policy statements in political programming area, with particular expertise in political advertising regulation. Bobby is credited with altering the approach to political programming enforcement by implementing an accessible, user-friendly mediation technique for resolution of the disputes arising daily in the political arena. This approach has almost entirely eliminated formal complaints and typically results in successful informal resolution of hundreds of disputes in any specific election period. Prior to joining the FCC, Bobby was President of Cellar Door Management, a personal management company specializing in recording artists.

## **Tuesday, July 1, 6:00 – 8:15 p.m. 10th Circuit Upholds FCC's Universal Service and Inter-carrier Compensation Transformational Order: Chevron Deference Run Amok?**

The FCBA **State and Local Committee** will host a CLE on **Tuesday, July 1** from **6:00 – 8:15 p.m.** entitled 10th Circuit Upholds FCC's Universal Service and Inter-carrier Compensation Transformational Order: Chevron Deference Run Amok? This program will be held at a location to be determined.

Giving a complete victory to the Federal Communications Commission, on May

23, 2014, the Tenth Circuit U.S. Court of Appeals upheld the agency's 2011 overhaul of the Universal Service Fund and inter-carrier compensation systems. The court rejected every argument raised by 31 separate petitioners seeking review of numerous specific aspects of the FCC's decision. Key to the decision and the FCC's jurisdiction over broadband services, the Tenth Circuit affirmed the FCC's legal authority to transform the nation's \$4.5 billion annual USF "high-cost" fund into the "Connect America Fund" aimed at subsidizing broadband deployment to unserved or underserved areas (without designating broadband as a supported service subject to Title II regulation). The order also required a gradual reduction of State-regulated inter-carrier compensation rates to zero in order to spur phone companies to upgrade their infrastructure to internet protocol-based network. This CLE will examine (1) the prospects for appeal and (2) the implications of the decision going forward for the FCC's regulation of broadband as well as broader implications for *Chevron* deference to federal agency decisions.

To register, [click here](#) or go to the **FCBA Website – Calendar of Events** or use the form on **page 20**.

### Young Lawyers Committee

This spring, the FCBA's Young Lawyers Committee continued its annual tradition of holding law student outreach events at six law schools. **Sean Spivey** and **Josh Bercu** graciously volunteered to oversee the law student outreach program on behalf of the Young Lawyers Committee Co-Chairs. Many members of the FCBA volunteered their time to discuss careers in communications law, and to answer questions from students about their personal experiences and benefits of membership in the FCBA.

On February 25, **Hadass Kogan**, **Jon McCormack**, and **Ari Moskowitz** returned to their alma mater, George Washington University Law School, to discuss career strategy generally and the FCBA specifically. The panelists discussed topics ranging from writing samples to the Federal Communications Law Journal. The panel was organized and moderated by **Tom Struble**, a recent GW graduate.

On March 4, Georgetown University Law Center Alumni **Daniel Alvarez**, **Josh Bercu**, **Kate Dickerson**, **Claire Magee**, and **Adam Taylor** visited campus to discuss careers in communications law. Current GULC student **Danielle Tepper** moderated the panel, which included advice to current law students regarding how to network, look for mentors, and navigate the job market. Special thanks to **Claire Magee** for organizing the panel.

On March 19, four recent graduates of Catholic University's Institute for Communications Law Studies returned to the law school to offer their insights into careers in communications law. **Kara Azocar**, **Rachel Bender**, **Ian Forbes**, and **Alex Reynolds** discussed with students how they secured highly sought-after legal externships during law school, which in turn led them to their positions today. The panel was moderated by current student **Conor MacCaffrey**, and organized by current student **Brian Indovina** and alum **Jeremy Berkowitz**.

On April 3, **Zac Champ** and **Cara Schenkel** met with visiting Syracuse University School of Law students at Greenberg

House. These students traveled from Syracuse specifically to discuss careers in the communications field in Washington, DC. **Zac** and **Cara** were able to engage one-on-one with these students, share their work experiences and provide additional information about the FCBA.

On April 14, **Natalie Roisman** moderated a panel on careers in communications law at the University of Pennsylvania Law School. Current law student **James Park** introduced the panel of distinguished practitioners, including **Walter Anderson**, **Heather Dixon**, **Brian Rankin**, and **Lindsey Tonsager**. Thanks to **Natalie Roisman** for organizing the event.

American University WCL's Communications & Media Law Society and Intellectual Property Brief co-hosted a panel on April 16. Panelists included **Micah Caldwell**, **Mariah Dodson Shuman**, **David Van Bloys**, and **Corie Wright**. **Professor Victoria Phillips** moderated the discussion, which was highly attended by AU students. Special thanks to **Joel Thayer** and **Brooke Ericson** (who also served as a panelist) for organizing.

## FOUNDATION News

### Volunteer at Martha's Table on June 29

On **Sunday, June 29** from **10:00 a.m. – 1:00 p.m.**, the FCBA will be preparing and distributing food at the FCBA Foundation's partner charity, Martha's Table. The FCBA has been meeting monthly to volunteer at Martha's Table for many years. Martha's Table feeds hundreds of homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of

14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

Please mark your calendars, bring your friends and children, and participate in this great volunteer effort. If you are able to volunteer, please contact **Howard Weiss** at 703-812-0471, [weiss@fhhlaw.com](mailto:weiss@fhhlaw.com).

The FCBA volunteers on the **last Sunday of every month**, so mark your calendars now!

## Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members' firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. We will be experimenting with some new presentation technology in future CLE seminars, which require more technical support than we have needed in the past.

In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for Webinar services. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, [stan@fcba.org](mailto:stan@fcba.org), or **Kerry Loughney**, [kerry@fcba.org](mailto:kerry@fcba.org).
