PRESIDENT'S Message

DEAR MEMBERS:

The FCBA welcomes our new Director of Membership Services **Kerry Loughney** this month. Among other responsibilities, Kerry will coordinate with our committees and chapters on their brown bag lunches, CLEs, social events, and other activities. We will be introducing Kerry to our members at upcoming events, and we're delighted to have her join the FCBA's hard-working team.

April also marks the start of the FCBA election process. The Nominations Committee, led by Past-President **Harry Martin**, has nominated an outstanding slate of candidates for the Executive Committee, the Foundation Board, and for the Nominations Committee for this coming year, and this year's ballot will include photos as well as bios. Please take time to review and return your ballot – some years there are candidates who win or lose based on a single vote. In addition, incoming President Jennifer Warren will begin making FCBA committee and chapter assignments this month – please let her know if you're interested in serving as a co-chair for the coming year (starting in July 2006).

Speaking of committees, several months ago I asked the **Relations with Other Bar Associations Committee** to reenergize their group and look for new opportunities with other bar associations. New Co-Chairs **Jenell Trigg, Edgar Class, and Mark Del Bianco** rose to the challenge, leading our first-time efforts to partner with the American Bar Association on two successful new CLEs this year, including the Privacy CLE in March and the Antitrust CLE in January. (And later this month our long-standing FCBA-ABA-NAB "Representing Your Local Broadcaster" seminar celebrates its 25th anniversary at the NAB convention.)

Many thanks to our committees and members who contributed to the success of our March events, most notably the well-received luncheon to launch our new Mentoring initiative, sponsored by the **Diversity and Young Lawyers Committees** and led by **Russell Frisby**, and our "Turning the Tables" press luncheon moderated by **Bryan Tramont** and **Dan Brenner**. Likewise, the **Mass Media Practice Committee's** DTV CLE and the Economic Analysis CLE, coordinated by **David Sieradzki** and **Greg Rosston** of the Stanford Institute for Economic Policy Research, were both timely and well-attended events.

Finally, congratulations to Southwestern University School of Law's moot court team for winning the 2006 National Telecommunications Moot Court competition sponsored by the FCBA and Catholic University, and kudos to our first-time **Moot Court Committee** Co-Chairs **Ronnie London, Martin Price, and Jeffrey Gee** – assisted by last year's co-chair **Ben Golant** — for their months of hard work and preparation for this event. And thanks to Past-Presidents **Anne Swanson** and **Margaret Tobey** for their excellent 70th anniversary column in this newsletter, featuring highlights from the past five years of FCBA history.

With nearly four decades of experience in telecommunications policy and regulation, Dale Hatfield is well-known to many members of the FCBA. Over

the years, he has generously donated his time to teach courses for the FCBA, including introductory seminars in engineering and more advanced seminars on spectrum issues. Dale currently serves as a key faculty and Advisory Board member of the Interdisciplinary Telecommunications Program at the University of Colorado in Boulder, following a distinguished career in government. At the FCC, Dale served as Chief of the Office of Engineering and Technology, Chief Technologist, and Chief of the Office of

FCBA Volunteers and Martha's Table children and chaperones at the Ft. Dupont Skating Arena.

February Ice Skating Event with Martha's Table

On Saturday, February 25, the FCBA Foundation sponsored an afternoon of ice-skating for children from Martha's Table's Children and Youth Program. Along with a few chaperones from

Martha's Table, FCBA volunteers accompanied the children to the Ft. Dupont indoor ice arena, where some of the children (and volunteers) had their first experience on ice skates. The more "experienced" volunteer skaters helped some of the children navigate their way around the rink, while other children seemed to manage quite well on their own. The Foundation would like to thank volunteers **Sima Chowdhury**,

Helping Hands at Martha's Table

Following a large turnout of members of the FCBA's International Practice Committee in January, members of the FCBA's Cable Practice Committee were February's volunteers to assist in preparing meals at Martha's Table. Their response was so overwhelming that two shifts were required.

FCBA Foundation Seeks Volunteers

The FCBA Foundation Wants You! The Foundation is looking for volunteers interested in assisting in some of the various programs the Foundation sponsors. Most members are familiar with the Foundation's volunteer efforts at Martha's Table and McKenna's Wagon, which are regular monthly activities that allow members to give a little back to the Washington, DC community. What is not as well known is that FCBA members can also volunteer to help the Foundation with its other programs. Currently, the Foundation is gearing up to review applications from high school students seeking one of the Foundation's college scholarships. FCBA members can assist the Foundation review the students' written applications and participate in the student interviews (scheduled for the weekend of May 19-21). The Foundation also is looking for members who are interested in serving as mentors to the students who receive a Foundation scholarship. If you are interested in volunteering to help with the scholarship program, please send an e-mail to **Mark Van Bergh**, mvanbergh@comcast.net, **Cara Voth**, cara.voth@fcc.gov or **Loretta Polk**, LPolk@NCTA.com.

In addition to helping with the scholarship program, throughout the year the Foundation sponsors other events and opportunities for volunteers. Last month volunteers accompanied children from Martha's Table's Children

and Youth Program for an afternoon of ice-skating. The Foundation has sponsored numerous other outings in coordination with Martha's Table, which in the past year have included a Washington Nationals baseball game, an afternoon at a Halloween Pumpkin Patch, and a George Washington University basketball game. One of the underlying goals of the Foundation is to support community service projects, particularly those directed towards children and students through the volunteer services of FCBA members. If you are interested in assisting the Foundation as it pursues this goal - by volunteering, or if you have an idea for a volunteer event - please send an e-mail to **Mark Van Bergh**, mvanbergh@comcast.net, **Megan Stull**, mstull@WILLKIE.COM, or **Howard Weiss**, weiss@fhhlaw.com.

Martha's Table – April 23

Foundation volunteers will be joined by volunteers from the NTIA at Martha's table on April 23rd.

McKenna's Wagon Volunteers Needed for April 23

The FCBA Foundation is looking for a few members to volunteer on Sunday, April 23rd, with McKenna's Wagon. McKenna's Wagon is a mobile soup and sandwich wagon that goes "on location" to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at 4:45 p.m. in comfortable clothes and shoes.

Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 pm.

We would love to have you join us on one of our upcoming food runs which are always on the 4th Sunday of the month. If you are able to volunteer for one of these dates, please send an e-mail to cara.voth@fcc.gov or tvanwazer@sidley.com.

10th Annual Golf Tournament Friday, June 16th

Registration for the 10th Annual FCBA Foundation - Robert E. Lee Memorial Golf Tournament is now open. Look for the registration form on page 21 of the newsletter. The event will return to Bull Run Golf Course in Haymarket, Virginia for the 5th year. As with the previous nine years of the tournament, a scrambles (Captain's choice) format will be used and groups may arrange their own foursomes. Individuals are also encouraged to sign up and will be paired with three other nice folks. Despite upward pricing on virtually all telecommunications services and a premium Friday date, the fees for the tournament are the same as last year - \$1,000 for an Eagle Club team; \$200 for private sector FCBA members; \$150 for government FCBA members and young lawyers. For this bargain, you will be provided with all the amenities the course has to offer, plus breakfast and lunch, use of all the practice facilities, and a list of acceptable excuses not to return to the office on a pleasant Friday afternoon. All proceeds are donated as tuition grants for deserving District of Columbia High School graduates. As Stud Estey, one of the original organizers of the tournament would say, "what a great concept, do good and have fun at the same time."

Continuity and Growth — The FCBA From 2000 to the Present

**By Anne Swanson
and Margaret Tobey**

In the past six years, the FCBA has built on the successes of the nineties, adding more events for members in the DC area and increasing the opportunities for members in chapters around the country to participate in the organization's activities. The FCBA has truly become a national organization. At the same time, many events have continued, becoming established institutional features — the Annual Seminar, the annual moot court competition for law students, the fall Charity Auction, the December FCBA-PLI Conference and Chairman's Dinner, the biennial legislative reception honoring Senate and House Commerce Committee members and their staffs, the annual Charity Golf Tournament, "Comm Law 101" and many more.

The FCBA's growth over the period can be traced not just to its officers, committee members, and members, but to the impressive professional staff it has been able to retain and increase over the last several years. Stan Zenor, Executive Director, and Heidi Kurtz, Deputy Director, joined the FCBA in 1999. All FCBA members were sorry to see Heidi move on to new opportunities earlier this year. Stan continues to hold everything together with the help of Wendy Parish, who joined the FCBA office in 2001, and Ann Henson, who arrived in 2004. Without them, the accomplishments below would have been much fewer and not nearly as well organized.

Anne Swanson's term as president (2000-2001) included scores of events, luncheons, and seminars, including a number of "firsts." In August 2001, the FCBA held its first "Seminar West" at Silverado Resort in Napa Valley, California. Designed to give FCBA members from chapters outside DC a counterpart to the East Coast's Annual

FCBA Seminar weekend, the event brought together over 150 attendees with a program that featured a number of industry speakers, Commissioner Susan Ness, and the chairs of the California and Washington state public utility commissions. Anne's "year" also brought the first CLE in northern Virginia, a seminar on technology basics taught by Dale Hatfield, and the FCBA's first co-sponsorship of the ABA/NAB's Las Vegas program "Representing Your Local Broadcaster." During the year, Anne revitalized the monthly lunch series, with speakers that included Cabinet member and USTR Representative Charlene Barshefsky, FCC Chairman Michael Powell, Rep. Fred Upton (R, MI), and DC Mayor Tony Williams. The Mayor keynoted a special luncheon honoring the Young Lawyers' success with the fall's annual FCBA Charity Auction as well as all the FCBA foundation volunteers who give so generously of their time to make the Nation's Capital a better place. Bill Kennard also presided over his final "Chairman's Dinner" in December 2000. Before her term ended, Anne commissioned the FCBA's first ever professional survey, a project supervised by Sandy Wilson and Jennifer Warren. Anne's principal memory of her year as president, however, was the tremendous outpouring of help and support that she received from FCBA officers, executive committee members, and others as she spent practically every evening of her presidency at the hospital tending to seriously ill parents. She knew the FCBA was a people-friendly bar, but during her "year," the members outdid themselves, particularly her president-elect Margaret Tobey.

Margaret Tobey's own term as president (2001-2002) began with the shock and horror of September 11, in which two FCBA members were killed — Karen Kincaid of Wiley Rein & Fielding and Richard Aronow of the Port Authority of New York and New Jersey. The first luncheon of the season — featuring newly installed Commissioner Kathleen Abernathy (herself a former FCBA president) — was scheduled for just six days later. The Executive Committee

considered canceling the luncheon, but decided in favor of proceeding as planned. The decision was a wise one — Commissioner Abernathy gave an inspiring speech, and the luncheon reminded us of how important the cohesive FCBA community is in our professional lives. Luncheons with the other two new commissioners — Commissioner Michael Copps and Commissioner (now Chairman) Kevin Martin — followed. Chairman Michael Powell took his first of several star turns at the Chairman's Dinner and wowed the crowd with his biopic based on VHI's "Behind the Music" and his famous summersault off the stage. In October, the FCBA began delivering the newsletter in electronic form, and in February 2002, the FCBA launched the online directory. Although it phased out the paper version of the newsletter in April, the Executive Committee decided to retain the paper directory, a decision based in large part on the results of the FCBA's membership survey, which showed that the directory was considered one of the top benefits of FCBA membership. During Margaret's year as president, the FCBA Foundation marked a very important milestone — its 10th anniversary — which was recognized through a year-long "Connecting Our Community" campaign spearheaded by Peter Ross of Wiley Rein & Fielding; it culminated in a special celebration at the Phillips Collection featuring Chairman Powell.

Peter Shields kicked off his term as president (2002-2003) with two very well attended events in July 2002 outside DC — a "Seminar West" weekend in San Diego, headlined as "Broadband: Feast or Famine?" and a reception at the NARUC summer conference in Portland, Oregon. In the fall, Peter hosted the FCBA's first Oktoberfest Reception to honor FCC Bureau Chiefs and their staffs, an event that has since become a regular feature of the FCBA calendar. His term saw the nomination and confirmation of FCC Commissioner Jonathan Adelstein, and the FCBA honored the new Commissioner at a reception in February 2002. Peter's year featured many

Panel discussion at the 2004 FCBA Annual Seminar held at the Chesapeake Hyatt Resort and Spa with Kelly Williams, Leigh Chinitz and Paula Boyd and FCC Commissioner Copps.

interesting luncheon speakers, including FCC Chairman Michael Powell, NFL Commissioner Peter Tagliabue, and communications industry leaders. The FCBA held a special day-long CLE on FCC enforcement issues in April. Commissioners Copps and Abernathy helped Peter round out a great year by traveling to Northern California and Atlanta, respectively, to help host FCBA events.

Sandy Wilson made tackling association management issues a high priority of her year (2003-2004) as FCBA president. Included among her initiatives was improving the association's software, hardware, and workplace tools for the staff. The FCBA's website also was redesigned, updated and made more user-friendly during Sandy's year, in conjunction with a long-overdue revision of the membership brochure. Sandy launched the FCBA breakfast speaker series, with the help of Henry Martin. During Sandy's term, the FCBA held another in-depth enforcement seminar, this time in Atlanta, for the benefit of members in the Southeast. Sandy also broke new ground for the FCBA's East Coast Annual Seminar, taking it to a new

venue on the Chesapeake Bay. In September 2003, the FCBA Foundation and the Association of Communications Consulting Engineers held their first combined charity auction to benefit the scholarship funds of both organizations. Near the end of Sandy's term in June

2004, the FCBA hosted a reception to celebrate the 70th Anniversary of the Communications Act of 1934. FCC Chairman Michael Powell and Commissioners Adelstein and Copps were joined at the commemoration by 11 individuals who had previously served as Commissioners.

During Harry Martin's term as FCBA president (2004-2005), the number of FCBA events and their attendance continued to break records. During 2004-2005, the FCBA held 16 CLE sessions, a new first. Three of the eight luncheon and breakfast events featured members of Congress — Sen. Ted Stevens (R, AK), Rep. Joe Barton (R, TX), and Rep. Chip Pickering (R, MS). Harry presided over three receptions, and his term featured Michael Powell's last Chairman's Dinner. Under Harry's watch, the FCBA launched a new chapter in Florida, and the other FCBA chapters around the country continued holding numerous CLEs, seminars, and receptions. The FCBA's management improvements continued with the implementation of a new association software program during Harry's term.
