PRESIDENT'S Message

DEAR MEMBERS:

The NCAA's March Madness is just about over, with tattered brackets and crushed dreams of winning the office pool all that remains. The FCBA, as always, has its own lineup of stellar programming to keep you occupied and entertained as the nights get shorter and the days get warmer.

On **April 6**, the FCBA's **Congressional reception** will take place from **6:00 – 8:00 p.m.** at the Hyatt Regency Capitol Hill. We had over 100 Congressional Members and staff at our last reception, we're hoping for even more this year. Send in your form today.

Be sure to sign up for the luncheon featuring **FTC Chairman Jon Leibowitz** and **FCC Commissioner Robert McDowell** on **April 20**. This special bipartisan, dual-agency joint appearance will offer some fascinating insights into the roles and responsibilities of the two agencies in the broadband era. We will also be celebrating the FCBA Foundation's 20th birthday at the luncheon.

And I know I do not need to remind anyone about the **FCBA Annual Seminar on April 29 – May 1**. If you have not registered yet, now is the time. Special thanks to the Annual Seminar Committee – **Trish Paoletta, Mike Senkowski, Lisa Youngers, and Michele Farquhar** – who have been hard at work on the Annual Seminar since last fall. We have a great line up on hand, including the **Chief Judge of the D.C. Circuit, David Sentelle, FCC Commissioners Michael Copps and Mignon Clyburn, and NTIA Administrator Larry Strickling**. I am excited about the breakfast CLE scheduled for Sunday morning: 40 Years in 60 Minutes, where each panelist will discuss a particular decade's changes in the communications law field.

I am pleased to announce that the **FCBA's Spring Reception** will take place on **May 24** at the **Washington Hilton Hotel** from **6:00 – 8:00 p.m.**, and we will announce the winner of the annual **Excellence in Government Service** award. I look forward to many of you joining us for this worthy tradition.

Thanks to the diligent work of **Bob Pettit** and the entire Nominations committee (**John Branscome, Matthew Brill, Kyle Dixon, Stacy Robinson Fuller, Angela Giancarlo, Anna Gomez, Christopher Guttman-McCabe, Luisa Lancetti, Melissa Newman, David O'Connor, Gigi Sohn, and Yaron Dori**) for their great work in building next year's team FCBA. Voting will commence in late April for the FCBA's annual election of officers, executive committee members, nominations committee members, and the board of trustees for the FCBA Foundation. The list of the nominated candidates appears on **page 3**.

This month, the Pay It Forward spotlight shines on **Grace Koh**, who has demonstrated the Pay It Forward ideals of service, dedication, and generosity of spirit. Grace, Policy Counsel at Cox Enterprises, is a tremendous young leader for the FCBA. She serves as one of the Pay It Forward coordinators for the FCBA's partnership with Byte Back, helping to find "hands-on" ways for FCBA members to participate in closing the digital divide in DC. In addition, Grace serves on the DC Bar Steering Committee for the Computer & Telecommunications Law Section and volunteers at animal shelters in her spare time. For these efforts and her continued commitment to the FCBA, Grace has been selected for this month's Pay It Forward spotlight.

Robert M. McDowell was first appointed to a seat on the Federal Communications Commission by President George W. Bush and unanimously confirmed by the Senate in 2006. When he was reappointed to the Commission on June 2, 2009, Commissioner McDowell became the first Republican to be appointed to an independent agency by President Barack Obama. He was unanimously confirmed by the Senate on June 25, 2009.

During his time at the FCC, Commissioner McDowell has worked to help consumers in the communications marketplace enjoy the benefits of more choices, lower prices and useful innovations through increased competition. Creating opportunities for the construction of new delivery platforms that will bring about such competition has been one of his top priorities.

Jon Leibowitz was sworn in as a Commissioner on September 3, 2004, and designated to serve as Chairman of the Federal Trade Commission on March 2, 2009, by President Barack H. Obama.

Special Notice Regarding the Meal for the April 20th Luncheon

Since this luncheon is occurring during Passover, the hotel will be preparing the following menu for the meal:

Matzah

Bibb Lettuce, Sundried Tomatoes, Kalamata Olives, Feta Cheese and Cucumbers Aged Balsamic Dressing

Grilled Free Range Chicken Breast with Balsamic Pesto Sauce

Grilled seasonal vegetables

Gratin Potato Dauphinoise

White Chocolate Mousse in a Chocolate Valencia Bowl with Fresh Berries

For those strictly observing Passover, certified Kosher meals are available, if requested in advance, for you or guests at your table. Please email wendy@fcba.org no later than Friday, April 15th to request a Kosher meal.

During his tenure as Chairman, Leibowitz has focused on stopping scams that prey upon consumers suffering from the economic downturn; preserving competition in healthcare and blocking anticompetitive “pay-for-delay” patent settlements in the pharmaceutical industry; promoting competition and innovation in the technology sector through law enforcement and policy initiatives; and protecting consumers’ privacy—especially while they are using the Internet.

In joining the Commission, Leibowitz resumed a long career of public service. He was the Democratic Chief Counsel and Staff Director for the U.S. Senate Antitrust Subcommittee from 1997 to 2000, where

he focused on competition policy and telecommunications matters. He served as Chief Counsel and Staff Director for the Senate Subcommittee on Terrorism and Technology from 1995 to 1996 and the Senate Subcommittee on Juvenile Justice from 1991 to 1994. In addition, he served as Chief Counsel to Senator Herb Kohl from 1989 to 2000. Leibowitz worked for Senator Paul Simon from 1986 to 1987. In the private sector, Leibowitz served most recently as Vice President for Congressional Affairs for the Motion Picture Association of America – from 2000 to 2004 – and worked as an attorney in private practice in Washington from 1984 to 1986.

ANNUAL SEMINAR

The seminar will begin on Friday afternoon with opening keynote remarks and presentations from government officials. Following the sessions, everyone will enjoy our traditional family barbecue dinner followed by bingo, and a private party at Nemacolin's new Wildside (<http://www.nemacolin.com/activities/wildside>), featuring eight lanes of bowling, a climbing wall, eight pool tables, 65 arcade games, and a sports bar.

Saturday morning will feature additional presentations and a new media and technology demonstration. Scheduled for Saturday afternoon will be the annual golf and tennis tournaments and a tour to Fallingwater (<http://www.fallingwater.org>), one of Frank Lloyd Wright's most famous home designs.

Fallingwater has been called the most unique house in the world. According to the Western Pennsylvania Conservancy, nothing that you have read or learned about Fallingwater can compare to the experience of visiting it in person. The Wright masterpiece, nestled within the lush, wooded Bear Run Nature Reserve, was designed to rise above a waterfall and is a timeless monument to organic architecture. It is celebrating its 75th

anniversary this year, with an announced theme of "Celebrating 75 Years of Art in Nature." Fallingwater is the only major Wright work to come into the public domain with its setting, original furnishings, and artwork intact. So there is much to see.

After chartered buses deliver our group to the site, we will lunch "on your own" on local sustainably-grown, organic, seasonal, homemade soups, sandwiches, salads, desserts and daily specials. Then, our group will be divided so that one knowledgeable guide can conduct about ten people on a tour of all of the major rooms of the house for about an hour. There is a rhythmic interplay between interior and exterior space due to the numerous terraces, open-air walkways and unexpected views of the trees and water as you move through the house. Time is allowed after the house tour to allow for a leisurely walk through the grounds, to admire the house dramatically

THE FCC AND CONTENT REGULATION: STILL HITCHED AFTER ALL THESE YEARS, OR IS IT TIME FOR A DIVORCE?

Broadcasters compete head-to-head with an ever-expanding array of other media outlets for consumers' time and attention. At the same time, they must comply with the most stringent content regulations applied to any media platform. This panel will discuss recent developments in content regulation concerning indecency, video description, advertising and other content-related rules. What practical issues are raised by new video description requirements? What are the implications of *Schwarzenegger v. EMA* for regulation of violent content? With a new approach to network neutrality in place, will the FCC turn its attention to pending proceedings that may have implications for broadcaster content? Where does FCC indecency regulation stand today and what does the future hold?

BROADCASTERS AND THE FCC REGULATORY STRUCTURE – IS IT TIME TO RENEW THE VOWS?

For over 30 years, it has seemed as though the more things change, the more things stay the same. Looking beyond the world of content, topics such as media ownership, localism, public interest, enhanced disclosure, retransmission consent, and enforcement continue to dominate the regulatory environment. Meanwhile, the new media landscape, from new entrants (e.g., streaming, over-the-top, forthcoming LPFM windows) to new business opportunities and organizational changes are forever altering the way broadcasters are doing business. Is it time for both industry and government to take a fresh approach to our regulatory marital issues? Join our panel of insiders for a lively discussion on the issues that affect us most – our competitive bottom line and our ability to serve our local communities.

CUTTING THE CAKE: SPECTRUM REALLOCATION - IS THERE ENOUGH FOR EVERYONE?

A year after the release of the National Broadband Plan, one of the Plan's most ambitious and controversial recommendations, reallocation of spectrum from over-the-air broadcasting to wireless broadband, is gaining steam. The FCC has initiated a proceeding that it hopes will lay the groundwork for spectrum reallocation if and when Congress grants it authority to hold incentive auctions. This lively panel will discuss what steps the FCC needs to take to reach its spectrum goals, what it could mean for broadcasters and viewers, and the possibility that this grand plan could fall apart.

WIKILEAKS AND JOURNALISTS: STRANGE BEDFELLOWS OR WEDDED BLISS?

This panel will discuss the Wiki-thicket of legal issues surrounding WikiLeaks and its unedited journalism, including its release of leaked classified U.S. State Department diplomatic cables and Iraq war logs, liability of traditional media outlets in cooperating or simply covering these sensitive news stories, news coverage decisions in the face of government pleas for self-censorship, government subpoenas for Twitter, cell

THE NEWLYWEDS: BROADCASTERS & NEW MEDIA ... A MARRIAGE MADE IN HEAVEN?

New media continues to attract broadcasters with its promising growth opportunities, but every new relationship has its unexpected challenges. Compliance with changing advertising, consumer privacy, and intellectual property requirements is critical to broadcasters' efforts to transform new distribution technologies and content offerings into a lasting long-term relationship. What are the key issues arising from greater audience-station interaction via station web sites, targeted advertising, social networking services, and mobile devices? How can you stream your local content on a website or mobile app? What legal issues are presented by the rise of mobile DTV, hybrid broadcast-broadband services, 3D content, and other innovative content or content delivery? Engage our panel of experts as to whether and how broadcasters can maximize their odds that this relationship is for richer, not poorer, to the benefit of local stations, their clients, and their communities.

Happy 20th Birthday, FCBA Foundation!

This month, the FCBA is proud to wish a very happy 20th birthday to our own FCBA Foundation! In honor of this important milestone, please take a few moments to read about the history of the Foundation, its mission, and how you can participate.

Established in 1991, the Foundation was created to expand the FCBA's community

outreach and educational endeavors. The September 1990 edition of the FCBA newsletter ran a column announcing the formation of an *ad hoc* Foundation Committee for the 1990-91 FCBA year and seeking volunteers for its activities.

Today, the Foundation's mission is to: (1) Support worthwhile communications-related and educational projects, as well as other community service projects, particularly those directed towards children and students, through financial contributions and through volunteer services provided by Foundation members and others; and (2) Foster greater public awareness and understanding of the development of communications technology, resources and law. It is a non-

profit tax-exempt organization qualified under Section 501(c)(3) of the Internal Revenue Code.

Over the past 20 years, thanks to the generosity of companies, organizations, and individuals in the Bar, the Foundation has raised more than \$2 million in pursuit of its mission. These funds have been directed primarily toward three areas of core activities:

- **Awarding more than 130 college scholarships to high school seniors in the Washington, D.C. public schools.** Applicants are evaluated on the basis of financial need, academic achievements, and a demonstrated interest in the area

HAPPY 20TH BIRTHDAY

of communications. The scholarships range in value from \$4,000 to \$25,000, allocated over four years. For the last five years, each scholarship recipient was also given a laptop computer.

- **Providing stipends to more than 150 law students working in government or entities with a relation to the communications field.** Applicants are evaluated on the basis of financial need, academic achievements, community service, and the relationship of their proposed internship to communications law. The base amount of each stipend is \$5,000, which is intended to assist in covering the student's expenses over the course of the internship. In addition, one student is selected to receive an additional \$600 Max Paglin Award.

- **Contributing volunteers and funds to community organizations in the Washington, D.C. area.** These efforts include longstanding volunteer relationships with Martha's Table and McKenna's Wagon, as well as a holiday gift drive. In 2010-2011, the Foundation has played an active role in the FCBA's new "Pay It Forward" initiative.

The Foundation is led by a Board of Trustees, 12 of whom are nominated by the FCBA Nominations Committee and elected by the FCBA membership; the Board may also include trustees appointed in accordance with the Foundation's bylaws. Trustees serve staggered three-year terms, with four trustees rotating off (and four new trustees rotating on) each year. One trustee serves as Foundation Chair.

The Foundation Board works closely with the FCBA Executive Committee, the Young Lawyers Committee, the Charity Auction Committee, the FCBA staff, and numerous volunteers within the Bar. These volunteers participate in various Foundation activities and assist in furthering the Foundation's mission in numerous ways, including

the process of identifying recipients for college scholarships. Each year, the Foundation awards a Volunteer of the Year Award to the FCBA member who best serves the goals of the Foundation and the greater community through their volunteer efforts.

Many FCBA members who have served on the Foundation Board, as well as others who have volunteered in Foundation activities, describe this experience as one of the most rewarding of their FCBA careers.

The Foundation raises funds in a variety of ways to support its scholarship and internship programs. Some money is raised through the sponsorship of tables at the Annual Chairman's Dinner and registration for the Annual Golf Tournament. The Foundation also has been fortunate for the past several years to be a partial beneficiary of the highly successful FCBA Annual Charity Auction. The support of FCBA members for these FCBA and Foundation fundraising activities is essential and tremendously appreciated. But the bulk of the funds that enable the Foundation to provide more than \$180,000 in scholarships and internship stipends on an annual basis come from direct contributions to the Foundation's programs by communications companies, organizations, and individuals within the Bar.

The Foundation seeks to provide meaningful philanthropic and community service opportunities for FCBA members and always is open to your suggestions in this regard. It is YOUR Foundation. You are invited to contact Foundation Chair, Julie Kearney (jkearney@ce.org or 703-907-7644), with any questions or ideas relating to the Foundation. In addition, the Foundation will be conducting an online survey within the coming months in order to solicit member input about Foundation activities. We urge you to participate in shaping the future of YOUR Foundation.

In honor of this milestone birthday for the Foundation, the Board of Trustees

sincerely hopes that you will open your heart and your checkbook to join in furthering the Foundation's mission. The Board appreciates the continued support of those who previously have given and looks forward to welcoming new donors in this special year. Please visit www.fcba.org/foundation for more information or to donate online.

FCBA Foundation 15th Annual Golf Tourney to be Held Monday, June 20

This June, the U.S. Open returns to the D.C. area—and the day after that premier event, the FCBA Foundation Charity Golf Tournament will return to the Country Club at Woodmore. Look for the **registration form on page 31** of the newsletter.

Last year's event at Woodmore was a tremendous success and the feedback from the players on the quality of the course and the hospitality of the club staff were extremely positive. So we are very pleased to be able to return to CC Woodmore in Mitchellville, MD for our 15th Annual Tournament on Monday, June 20. The Arnold Palmer designed course is consistently ranked as one of the best in the Mid-Atlantic region and has received the Golf Digest Architecture Award in recognition of outstanding design. Better yet, CC Woodmore is conveniently located just minutes outside the Beltway for those feeling the need to head to work afterwards (though we promise not to tell anyone if you don't).

All Eagle Sponsor Foursomes compete for the coveted Eagle Trophy, and many, many other prizes will be awarded thanks to the generosity of our corporate sponsors. Registration includes round, driving range, and barbeque lunch at Woodmore's spectacular clubhouse.

Mark your calendars now for this great day of golf in support of a great cause.

The Golf Committee always welcomes anybody interested in helping pull the event together. Contact **Glenn Reynolds** at greynolds@ustelecom.org if you are interested.

Combined Federal Campaign (CFC)

The FCBA Foundation is proud to participate in this year's Combined Federal Campaign for the National Capital Area. Federal employees in the nation's capital can now make regular tax-deductible contributions to the FCBA Foundation through the Combined Federal Campaign, providing funds to support and help expand the Foundation's vital charitable work.

To make a pledge to the FCBA Foundation, donors should use the FCBA Foundation's CFC code number (**#31092**) on their pledge cards. Pledge cards can be obtained from your agency's CFC campaign staff. Pledge cards can also be completed and printed out online through the CFC website at www.cfcnc.org. On the website, click "Giving" and "About CFC-e" for more information.

Your donations will support the valuable work performed by the FCBA Foundation. Last year, the Foundation's work included:

- Awarding nine college scholarships to D.C. public high school students and stipends to seven law school students for unpaid legal communications-related summer internships totaling close to \$175,000
- Sponsoring numerous volunteer events for FCBA members, including making meals for the homeless at Martha's Table and delivering meals to the homeless through McKenna's Wagon each month
- Co-Sponsoring the 2010 Charity Auction for Project Wait No Longer and the FCBA Foundation which raised over \$130,000

Please contact **Julie Kearney**, FCBA Foundation Chair, (jkearney@ce.org), if you have any questions.

Homeland Security and Emergency Communications Committee Volunteered at Martha's Table on March 27

Jeff Cohen, Jade Nestor, Larry Walke, Howard Weiss, Nneka Ezenwa and her family (pictured above) and Mark Van Bergh (photographer) volunteered at Martha's Table on Sunday, March 27. The volunteers happily prepared desserts and sandwiches and cleaned the children's rooms at Martha's. In addition to the joy of giving of their time, the volunteers networked and discussed current events at the FCC and on the Hill. A good time was had by all.

Volunteer for Martha's Table and McKenna's Wagon on April 24

Many of us are stretched for time these days, but why not consider spending a few hours on a Sunday to help the FCBA Foundation's partner charities? For many years now, the FCBA has been providing volunteers to Martha's Table and McKenna's Wagon. These organizations rely on the good work of our members each month, so grab a friend, colleague or family member and join your fellow FCBA volunteers!

Martha's Table feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin

at **10:00 a.m. and work until 1:00 p.m.** Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the last Sunday of every month, so mark your calendars now. If you are able to volunteer on **April 24, May 29, or June 26**, please contact **Howard Weiss** at 703-812-0471 -- weiss@fhhlaw.com.

McKenna's Wagon is a mobile soup and sandwich wagon that goes "on location" to deliver food to the needy. For those who have volunteered, it has been a

wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at **4:45 p.m.** in comfortable clothes and shoes. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the

District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution

is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 p.m.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **April 24, May 22, or June 26** please contact **Joanna Georgatsos** at georgatsos@lojlaw.com.

If approved, forms for Virginia and California will be available at the Seminar Registration Desk. Please note that FCBA does not obtain CLE credit for other states. The FCBA will, however, assist with applications

to other states, but attorneys must apply individually for credit courses and submit any forms and payments necessary directly to the state bar. The number of credits corresponds with the number of hours of course time, i.e., a two-hour seminar equals 2.0 hours of credit.
