2009 Annual Seminar to be Held in Colonial Williamsburg, VA May 1-3, 2009 – Register Now!

The FCBA Annual Seminar Planning Committee is working on this year's program for the Annual Seminar, to be held in historic Williamsburg, VA. This popular annual FCBA event will include presentations and panels, as well as a number of informal recreational and social activities for attendees including Friday evening ghost tours and/or libations at a local tavern, as well as a walking tour of Colonial Williamsburg and an outing to Busch Gardens on Saturday afternoon.

The theme of this year's seminar is "The Economy, Regulation and the Public Interest." We have invited several high-ranking government officials and private

sector representatives to explore issues regarding how the economy — and new Administration policies — affect the communications sector, regulations and interpretation of the public interest.

The FCBA meetings and events will be held at the newly renovated **Williamsburg Lodge**. Attendee lodging for the seminar will be available at the Williamsburg Lodge, as well as at the Williamsburg Inn and at the Woodlands Hotel and Suites. Complimentary high speed internet and wi-fi access is available in all guest rooms and public spaces at the resort. Special government/educational rates are available at the Woodlands Hotel. The Woodlands is about a 25 minute walk from the Lodge. Shuttles between the Lodge and Woodlands are provided by Colonial Williamsburg. Details regarding the lodging choices are available online at https://resweb.passkey.com/Resweb.do?mode=welcome_ei_new&eventID=563281.

PRESIDENT'S Message

DEAR MEMBERS:

It is April already, and our Annual Seminar in Williamsburg, conducted during the first weekend in May, is only one month away. **Joe Di Scipio, Luisa Lancetti and Charla Rath** have been working hard to make this event the huge success it always has been for our members and their families. For the first time in memory (at least mine), the event will be held right in the center of historic Williamsburg at the Williamsburg Inn and Lodge. The program, as always, is family friendly, and we hope many FCC staff will be able to attend this year, with the retention of our scholarship program and the location and government rates that are available.

As many of you know, one of the cornerstones of our funding the Annual Seminar has been the sponsorship program, with Gold, Silver and Bronze sponsorships available. This year, **Scott Harris**, who for several years has served as Annual Seminar co-chair and chief sponsorship coordinator, has had to step out of the role, given his nomination as General Counsel to the Department of Energy. **Trish Paoletta** has graciously agreed to take on that role this year, with help from several Executive Committee members. If they contact you, I hope you will understand the spirit in which our sponsorship drives are conducted.

Each year, for various receptions and programs, FCBA member companies and firms are offered the opportunity to sponsor events. While I know that these opportunities provide increased visibility for the companies and firms to FCBA members and seminar participants, in addition to securing free attendance for certain company or firm members, the sponsorships most truly help the FCBA defray costs associated with the events. For the Annual Seminar, the sponsorships help to cover registration and travel expenses for speakers, provide for reduced registration fees for government and academic members, and allow for seminar scholarships for government and academic members. Depending on the number and level of sponsorships, we also have been able to rely on funds raised to keep general dues and cost of attendance at events for our members reasonable.

I know that the present days are a difficult time for many companies and firms, and that the costs of sponsorships of events must be very carefully weighed against potentially competing expenditures. Even at the FCBA, we support so many programs – CLEs and seminars, the Foundation's charitable endeavors, and the staff that coordinates these and other regular committee events.

The FCBA is facing the same economic challenges, and in addition to the benefits to our Association discussed above, sponsorship by your organizations will help the FCBA have a successful Annual Seminar and respond to those challenges. I am truly grateful to those companies and firms that help to sponsor all FCBA events, and regardless of your decisions, appreciate the consideration you give to such requests.

I hope many of you will spend the first weekend in May with your FCBA colleagues, and I look forward to seeing you there!

The Mass Media Practice Committee will hold a CLE seminar entitled The Future of Broadcast Spectrum — Opportunities and Challenges on **Tuesday, May 12, 2009** from **6:00 – 8:15 p.m.** Over the years, various interest groups have been clamoring for use of finite spectrum, including spectrum used for broadcasting. This panel will discuss what services and content are most desired by the public.

ANNUAL SEMINAR

CONTINUED FROM PAGE 1

Williamsburg is located 150 miles south of Washington, D.C. Educational and recreational activities abound, and include the following:

HISTORIC AREA

(Historic reminder: from 1699 to 1780, Williamsburg was the capital of England's oldest, largest and most populous North American mainland colony, named in honor of England's King William III.) Encompassing 301 acres, Colonial Williamsburg's Historic Area portrays 18th-century Williamsburg on the eve of the American Revolution. Area sites include the Governor's Palace, the symbol of British authority in the colony; and the Capitol, the seat of colonial power and site of Virginia's vote for independence on May 15, 1776, and home to the General Assembly from 1776-79. Colonial Williamsburg also operates several museums. Williamsburg is a short trip to both Jamestown and Yorktown, the other two corners of Virginia's "historic triangle."

Seminar participants will be able to purchase a special ticket, good for the duration of the seminar, which includes access to Historic Area trade sites and museums at a special rate of \$15.00 per ticket. These tickets will be available for purchase on-site at the Lodge, Inn and Woodlands for an increased rate of \$34.95.

On Saturday afternoon from 2:00 – 5:00 p.m., seminar participants may join a guided tour of Colonial Williamsburg for only \$5.00 per person. One of Colonial Williamsburg's official tour guides will escort you through the Historic area, sharing the history of Colonial Williamsburg and the area trade sites and museums. Tour participants must purchase the special \$15.00 access ticket to have access to the various buildings the tour will visit.

BUSCH GARDENS

New England Chapter

The New England Chapter of the FCBA hosted a Lunch Program with the New Hampshire Bar Association's Telecommunications, Energy and Utility

New England Chapter Program March 23

Section at the New Hampshire Bar Center on Monday, March 23rd in Concord, New Hampshire. New Hampshire Public Utilities Chairman Thomas B. Getz, Executive Director and Secretary Debra A. Howland, Telecommunications Division Director Kathryn M. Bailey, P.E. and Lynn Fabrizio conducted an interactive dialogue with practitioners regarding opportunities to improve upon process and procedures utilized by the Commission. Specifically, Chairman Getz requested input on whether or not the Commission provided “flexible” due process to manage various types of matters. The Chairman discussed the addition of two new attorneys to address previous concerns regarding the need for adequate resources to manage the Commission caseload. In addition, Deb Howland noted the on-going fiscal constraints put upon the Commission while balancing the need of making the practice of utility law more efficient for attorneys via a comprehensive e-filing system. The Commission noted the opportunity for on-going dialogue and the possibility of a similar follow-up discussion on these topics in the future. The second portion of the Commission’s discussion was conducted by Katie Bailey and Lynn Fabrizio who provided a status report on the pole attachment proceeding at the Commission; and sought further input from practitioners regarding the interpretation of the enabling statute. Katie noted that the

record in the proceeding is robust with four rounds of comments; and that proposed draft rules are soon to be finalized. Several members of the NE FCBA Steering Committee were in attendance at the event. Special thanks to FCBA Steering Committee Members **Susan Geiger** and **Robert Munnelly**; as well as, Co-Chair **Greg Kennan**, Anne Ross, Chapter Chair of the Telecommunications, Energy and Utility Section of the New Hampshire Bar Association and the staff of the Bar Association on an informative and well orchestrated program.

The New England Chapter’s collaboration with the New England Consortium of Public Utility Commissions (NECPUC) is also underway for the development of panel(s) at the Annual Symposium scheduled for the May 3-5 in Newport, Rhode Island. Steering Committee Member **Doug Denny-Brown** is collaborating with Commissioners Wolff and Gillette on a general session panel on Smart Grid Panel set for Monday, May 4th. In addition, **Michele Thomas**, a chapter Co-Chair is collaborating with Commissioner Vandeen Vafiades of the Maine Public Service Commission on a telecommunications panel discussing state processes related to the Broadband Stimulus Act and corresponding efforts. The Broadband panel will be held on Tuesday morning, May 5. Registration

NE FCBA members and friends are being encouraged to register early for the symposium. Details related to the NECPUC panel(s) and other activities will also be communicated to NE FCBA membership.

Plans for a NE FCBA event in early June are also being finalized. The program is scheduled for **Thursday, June 25** and will be held in Portland, Maine. The format of the program will be a keynote speech focusing on Maine’s economic development plans as a result of the Federal Stimulus package. Finally, NE FCBA’s annual collaboration with Boston University is also in it’s early planning stages and will likely occur in early October 2009. A committee with Steering Committee members, students of BU and other NE FCBA friends will be assembled in the coming weeks to work on the program has also begun and will ramp up in the coming weeks.

Texas Chapter

The FCBA Texas Chapter continues its efforts to bring interesting and informative Brown Bag lunch-time seminars to the Austin Telecom Bar and regulatory community. For the 2008 – 2009 year the Texas Chapter has two co-chairs: **Brad Bayliff**, a partner with Casey, Gentz & Magness and **Kevin Zarling**, Senior Counsel with Embarq Corporation. In September, 2008 the Texas Chapter presented a panel discussion of current efforts to reform the Texas scheme of compensation for access to municipal rights-of-way. In early December, 2008 the Chapter held a Brown Bag seminar where Bill Magness, partner with Casey, Gentz & Magness, provided an overview of the FCC's November Order on Remand regarding compensation for ISP-bound traffic and Further Notice of Proposed Rulemaking on Intercarrier

Compensation and Universal Service reform. In January, 2009, Susan Goodson, Attorney – Legal Division, of the Public Utility Commission of Texas ("PUC"), made the Chapter's annual presentation of the "PUC Year in Review," for 2008. Currently the Chapter has one additional Brown Bag scheduled, and on April 24, 2009, Professor Kenneth Flamm of the Lyndon Baines Johnson School of Public Affairs at the University of Texas – Austin will make a presentation on "Issues with U.S. Broadband Data." Professor Flamm is a nationally recognized expert on technology policy and broadband measurement and data collection. The Texas Chapter is looking for other issues and available speakers for the remainder of its 2008 – 2009 year though June, and welcomes feedback from the Austin Telecom Bar and regulatory community.

Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members' firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. We will be experimenting with some new presentation technology in future CLE seminars, which require more technical support than we have needed in the past.

In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for presentations by speakers. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, stan@fcba.org, or **Kerry Loughney**, kerry@fcba.org.

NEW MEDIA: PRESSING LEGAL ISSUES FROM DIGITAL ADVERTISING TECHNIQUES TO SOCIAL NETWORKING AND BEYOND

As broadcasting becomes more entwined with digital technologies, and as we deploy innovative advertising techniques to help accelerate our digital revenue generation efforts, will we need to worry about how the FTC and the states will regulate behavioral advertising? As we ask our viewers to participate more personally in our web sites, how should we protect their personal information while protecting our companies from liability? We will bring together a panel of new-media experts to bring you up to speed on issues that confront us in this quickly changing space.

NEWSGATHERING: GETTING "MORE FOR LESS" IN A TROUBLED ECONOMY AND STILL HOLDING GOVERNMENT ACCOUNTABLE

This panel will debate the legal pluses and minuses of joint newsgathering agreements, community newsgathering pacts, borrowed content and content repurposing, product placement to

make news stories profitable, relying on "taboo" advertisements (like alcohol), the new "all purpose" journalist, database journalism, citizen journalists, new newsgathering torts and more. We will bring you up-to-date on thorny new issues that abound, and answer your questions on how to stretch your newsgathering dollars, in a dynamically changing world for broadcasters.

2009 National Telecommunications Moot Court Competition

Catholic University law students received top honors at the 15th Annual National Telecommunications Moot Court Competition held on February 6 and 7, 2009. **Patrick Halley**, a third year evening student and finalist in last year's competition, and **Zach Rothstein**, a second year day student, narrowly edged out the team from defending champion Southwestern Law School to win the Best Team award. Halley and Rothstein also were honored for Best Brief.

Timothy Kuhn and Jennifer Vandermeuse of University of Wisconsin tied for the award of Best Oral Advocate. Teams from University of Wisconsin and University of Colorado participated in the semi-final rounds of judging, but did not advance to the final round.

Sponsored by the FCBA and Catholic University, the competition featured 11 teams, representing law schools from California, Colorado, Indiana, New

York, and Wisconsin, as well as D.C. law schools at Georgetown University and Catholic University. This year's case was based upon a mock FCC order requiring mobile video providers to display warnings that describe the dangers posed by using their service while operating a motor vehicle. A highlight of the competition was the

final round three-judge panel presided over by U.S. Court of Federal Claims Senior Judge Loren Smith; FCBA President **Mark Schneider**; and President and CEO of Wireless Communications Association International **Fred Campbell**. Finalists Chad Clement and Matthew Mann of Southwestern Law School posed a formidable challenge to the Catholic team: Just three points separated the scores awarded to the Catholic and Southwestern teams.

Jeremy Prose of Catholic University served as the Student Chancellor and **Sarah Jameson** of Catholic University served as the Vice Student Chancellor for the competition. The FCBA Moot Court Committee was co-chaired by **Jennie Chandra** of Windstream Communications; **Russ Hanser** of Wilkinson Barker Knauer, LLP; and **Brian Murray** of Latham & Watkins LLP.

The FCBA congratulates and thanks all of the student competitors, faculty members, and administrators who participated in the competition. It also expresses its gratitude to Catholic University and the many FCBA members who served as judges and graded competitors' briefs.

COMMITTEES AND CHAPTERS *in the Spotlight*

Commendations Committee Co-Chairs Amy Mushahwar and Howard Liberman. Not Pictured: John G. ("Grif") Johnson, Jr.

Commendations Committee

The Commendations Committee is responsible for recognizing the careers of communications law practitioners and others in a variety of contexts. In the past, the Commendations Committee has acknowledged the contributions of a recently-retired government professional, and this year the Committee is exploring other ways in which it may be able to serve the Association by recognizing the careers and accomplishments of senior practitioners in the communications bar.

A large part of the Committee's charge is drafting "In Memoriam" articles for the Association's monthly newsletter, when we learn of the death of an FCBA member or other person whose career or contributions would be of interest to our members. The Committee also follows up with commendation letters to surviving family members of the decedents, when appropriate, sending them copies of the articles and occasionally certificates of appreciation. We gladly accept new members of our Committee. Please contact **Howard**

Liberman at Howard.Liberman@dbr.com, **John G. ("Grif") Johnson, Jr.** at johngriffithjohnson@paulhastings.com, or **Amy Mushahwar** at amushahwar@reedsmith.com, if you would like to join the Commendations Committee.

Transactional Practice Committee

The FCBA's Transactional Practice Committee provides members with an active forum to analyze and discuss legal, regulatory and public policy issues that are essential for handling complex domestic and international transactional matters in the telecom industry. The Committee invites government enforcement officials, private practitioners, in-house corporate counsel, members of the financial community, and the public to share perspectives on these issues.

The Transactional Practice Committee is co-chaired by **Mark W. Brennan** of Hogan and Hartson LLP, **Christine M. Crowe** of Wilkinson Barker Knauer, LLP, **Neil A. Dellar** of the Transaction Team of the FCC, and **Michael G. Jones**

of Willkie Farr & Gallagher LLP. The Committee has organized a variety of events, with more ahead.

The Committee sponsored a brown bag lunch on October 8 regarding FCC merger review. **Carolyn Brandon**, Vice President, Policy; CTIA, **Rebecca Arbogast**, Principal, Stifel Nicolaus; and **Coleman Bazelon**, Principal, The Brattle Group, led a discussion of issues arising in the FCC's review of recent transactions, particularly transactions involving wireless telecommunications. Topics discussed included recent developments in the use of "spectrum screens" to identify local wireless markets requiring further analysis, implications of the results of recent consolidation and the 700 MHz auction upon the ability of small and rural carriers to acquire spectrum assets, the need for spectrum caps, and possible changes to the FCC's review of transactions in the new administration.

On November 12, the Committee held a brown bag lunch on post-closing issues. Todd Anderson of Constantine Cannon LLP and **Lawrence Movshin** of Wilkinson Barker Knauer, LLP discussed divestiture requirements, the role of management and divestiture trustees, the segregation of assets and business units, and post-closing considerations unrelated to divestitures including network and billing system integration, elimination of duplicate agreements, network assets, and employee issues.

On February 18, 2009, the Committee co-sponsored an evening CLE with the International Practice Committee regarding investing in overseas telecom markets. The CLE included two panels. On the first panel, **Rebecca Arbogast**; **Sheba Chacko**, Head of Global Operational Regulation and Americas Regulation, BT Global Services; Salomon Gruenberg, International Affairs, Verizon Business; Chris Peirce, Chief Regulatory Officer, MTS Allstream Inc.; and **Ulises Pin**, Partner, Bingham McCutchen LLP discussed market and regulatory factors in developing a

COMMITTEES AND CHAPTERS *in the Spotlight*

foreign investment strategy. On the second panel, Sean Heather, Executive Director, Global Regulatory Cooperation, U.S. Chamber of Commerce; Jim Allen, Managing Director and Head of Mergers & Acquisitions, Latin America, Morgan Stanley; Jonathan McHale, Deputy Assistant United States Trade Representative (USTR) for Telecommunications and E-Commerce Policy; and **Laurie Sherman**, Manager, Laura B. Sherman LLC discussed the dos and don'ts of investing in overseas telecoms markets.

The Committee held an additional evening CLE on March 12 entitled Tax 101 for Communications Attorneys. Cheryl Coe of Latham & Watkins LLP, Henry Cohn of Willkie Farr & Gallagher LLP, John Harper of Morrison & Foerster LLP and Scott McClure of Hogan & Hartson LLP discussed the tax implications of various types of transactions including stock and asset deals, S corporations, disregarded entities, tax-free reorganizations, spin-offs and splits, like-kind exchanges and the portions of transaction agreements of particular interest and import to tax counsel.

The Committee is planning a brown bag lunch for May 13 regarding representing communications companies in bankruptcy, and is planning to co-sponsor a brown bag lunch in June with the Young Lawyers Committee entitled Transactions 101. We are always interested in hearing from you about areas you would like the Committee to address. Please email your suggestions or questions to **Mark Brennan** (mwbrennan@hhlaw.com), **Christine Crowe** (CCrowe@wbklaw.com), **Neil Dellar** (neil.dellar@fcc.gov), or **Michael Jones** (mjones@willkie.com).

FCBA FOUNDATION *News*

13th Annual Golf Tournament Friday, June 5th

Registration for the 13th Annual FCBA Foundation - Robert E. Lee Memorial Golf Tournament is now open. Look for the **registration form on page 33** of the newsletter.

Last year we had one of the best turnouts ever, with over 100 golfers participating! Due to this great response, we are returning for a third year to Worthington Manor Golf Club in Urbana, Maryland. We expect the event to be even more exciting because Worthington Manor will be hosting the local U.S. Open qualifier just 2 weeks before our event—which means that the course should be in tournament quality condition! But don't let this intimidate those of you who aren't quite ready for Q-school — the staff at Worthington Manor does a great job at setting up the course to be both challenging for the low-handicappers and fun for those of us with real day jobs.

This year's tourney will take place **Friday, June 5** with a Shotgun start at **8:45 a.m.** As in previous years, a scramble (Captain's choice) format will be used and the event is designed to ensure a fun day no matter whether your handicap is three, thirty or somewhere in between. All Eagle Sponsor Foursomes compete for the coveted Eagle Trophy, and many, many other prizes will be awarded thanks to the generosity of our corporate sponsors. Registration includes round, driving range, light breakfast and barbeque lunch — plus a list of acceptable excuses not to return to the office on a pleasant Friday afternoon.

In recognition of the current strains on everyone's budgets, we have kept registration fees unchanged from last year. But most importantly, remember that all proceeds go to the FCBA Foundation to support funding of unpaid communications-related legal internships and tuition grants for deserving District of Columbia High School graduates—scholarships that are more important than ever! As Stub Estey, one of the original organizers of the tournament would say, "What a great concept: Do good and have fun at the same time."

FCBA Foundation Team for the Global Race for the Cure

The FCBA Foundation is sponsoring a team for the Susan G. Komen Global Race for the Cure. The race will be held on the morning of **Saturday, June 6, 2009** on the National Mall. Members of Team FCBA Foundation will meet at a time to be determined at the Starbucks at 9th and G Streets, NW. From there, we will walk together to the start line. Everyone is welcome to participate in this morning of fellowship, fitness, and public service, regardless of their fitness level.

To register, please visit www.nationalraceforthecure.org, click on Ways to Participate, click on Register, select the Join a Team option, and choose FCBA Foundation. Please direct any questions to **Megan Anne Stull** at mstull@willkie.com or 202-303-1189.

Combined Federal Campaign (CFC)

The FCBA Foundation is proud to participate in this year's Combined Federal Campaign for the National Capitol Area. Federal employees in the nation's capitol can now make regular tax-deductible contributions to the FCBA Foundation through the Combined Federal Campaign, providing funds to support and help expand the Foundation's vital charitable work.

To make a pledge to the FCBA Foundation, donors should use the FCBA Foundation's CFC code number (**#31092**) on their pledge cards. Pledge cards can be obtained from your agency's CFC campaign staff. Pledge cards can also be completed and printed out online through the CFC website at www.cfcna.org. On the website, click "Giving" and "About CFC-e" for more information.

Your donations will support the valuable work performed by the FCBA Foundation. Last year, the Foundation's work included:

Awarding 12 college scholarships to D.C. public high school students totaling over \$140,000

Awarding stipends to five law school students for unpaid government summer internships

Sponsoring numerous volunteer events for FCBA members, including making meals for the homeless at Martha's Table and delivering meals to the homeless through McKenna's Wagon each month
Co-Sponsoring the 2007 Charity Auction for the Kid-Power DC which raised over \$100,000

Volunteer Outreach for Martha's Table & McKenna's Wagon April 26

Many of us are stretched for time these days, but why not consider spending a few hours on a Sunday to help the FCBA Foundation's partner charities? For several years now, the FCBA has been providing volunteers to Martha's Table and McKenna's Wagon. These organizations rely on the good work of our members each month, so grab a friend, colleague or family member and join your fellow FCBA volunteers!

Martha's Table feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin at **10:00 a.m. and work until 1:00 p.m.** Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the last Sunday of every month, so mark your calendars now. For more information, contact **Howard Weiss** at 703-812-0471 — weiss@fhhlaw.com.

McKenna's Wagon is a mobile soup and sandwich wagon that goes "on location" to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens

among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at **4:45 p.m.** in comfortable clothes and shoes. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 p.m.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **April 26** or for a future date, please contact **Joanna Georgatsos** at georgatsos@lojlaw.com or **Tom VanWazer** at tvnwazer@sidley.com.
