PRESIDENT'S Message

DEAR MEMBERS:

This has been a busy month of planning upcoming association events.

With a new leadership structure in place at the FCC, we are planning a Fall Reception to welcome the new FCC Chairman and Commissioners on September 30 from 5:30 – 8:30 p.m. at the Newseum. From 5:30 – 6:30 p.m., attendees will be able to tour the Newseum exhibits and from 6:30 – 8:30 p.m., the reception will be held in the 7th Floor Conference Center and Terrace. I hope you'll make plans to join us in welcoming them.

We're also planning a reception with Commission bureau and office chiefs in mid-October, the 20th annual Charity Auction on November 12, and the Chairman's Dinner on December 10 (in conjunction with the PLI Conference).

Our CLE schedule will kick off on September 9 with a timely look at the lobbying rules and restrictions in the new administration – sponsored by our Professional Responsibility Committee. Major CLEs are also in the works by the Broadband and Mass Media Committees in October and November.

Of course, committee brown bags are being planned for August and September. And don't forget to mark your calendars for the 13th Annual FCBA Foundation Golf Tournament – now rescheduled for September 10.

A complete list of upcoming programs and events can be found on page 24.

Also in this newsletter is a listing of committee and chapter co-chairs. I urge all of you to contact the co-chairs with ideas for committee lunches, CLE programs and other events that form the core of the association's membership activities. My highest priority is to make sure that our programs are as timely, useful and interesting as possible for the membership.

By now, all of you should have received membership renewal instructions. (If you have not, you can also find instructions on page 3 of this newsletter.) Please renew today – and keep taking advantage of member benefits, including discounts to FCBA events and programs. Note to procrastinators: We're going to try to publish a new FCBA directory as soon as we can in the new year. Because of publishing schedules, that essentially means that we need to have a complete membership list by early October. So, don't be left out. Renew today!

Charity Auction Committee

The 2009 Charity Auction is kicking into high gear and we need your help to make this year's auction a huge success! Please volunteer to help us solicit great prizes from local businesses—all FCBA members are encouraged to participate, regardless of experience. In addition, if you know people who work with or own businesses that might offer great prizes, let us know. The co-chairs of the subcommittee responsible for prize collection are **Jeremy Berkowitz, Justin Faulb, Matt Gerst, and Mary Underwood**. If you are interested in volunteering some of your time, we would greatly appreciate your help! Please send an email to FCBAuction@gmail.com.

Constitution and Bylaws Committee

At the request of the Executive Committee of the FCBA, the Constitution and Bylaws Committee recently conducted a review of the FCBA Bylaws and made several changes to the status of certain committees, and made several housecleaning changes as well.

First, four previously “ad hoc” committees - Homeland Security and Emergency Communications Committee, Intellectual Property Committee, Judicial Practice Committee, and the Privacy and Data Security Practice Committee — gained full committee status. Further, in light of the development of the Internet, and

the recognition that many of the subjects previously covered by the Cyberspace Committee were also relevant to a number of specific practice committees, the Executive Committee approved the deletion of that committee.

In addition, the Cable Practice Committee was changed to the Video Programming and Distribution Committee so to acknowledge the development of alternative video distribution platforms. Finally, the description of the Diversity Committee was modified to reflect the excellent work that the Committee has undertaken to promote diversity in the communications industry.

This year, the co-chairs of the Committee — **M. Anne Swanson** and **Lee G. Petro** — have been tasked with the enviable job of updating the descriptions for the other Committees, and will undertake their annual review of the Constitution and Bylaws for any other suggested changes. Any such suggestions will be compiled in a report and delivered to the FCBA's Executive Committee for consideration.

2009 FCBA Membership Directories

The FCBA 2009 Membership Directories were printed and mailed to members in late May. Please use the order form on **page 23** to order additional copies for your office.

SPRING Reception

At its June 25 Reception, the FCBA presented its second Excellence in Government Service award to Evan R. Kwerel. The award recognizes people with long-term careers in the federal government in the field of communications who are dedicated to the pursuit of excellence and public service. Evan, a Senior Economist in the FCC's Office of Strategic Planning and Policy Analysis, and known worldwide for his work on the academic underpinnings of auction theory and its practical implementation, has served at the FCC since 1983.

The FCBA also took this occasion of its reception recognizing excellence in government service to announce its commendation of the FCC and NTIA staff for their outstanding effort and outreach to the American public to minimize the difficulties inherent in the digital television transition. For months, and even years, hundreds of FCC and NTIA staff had dedicated themselves to making the digital television transition work, culminating in the efforts necessary to "cross the finish line" on June 12, 2009, less than two weeks before the reception. At the reception, the FCBA hosted representatives of the staff members that worked hand-in-hand with industry on the digital television transition. While FCBA members understand as well as anyone that there is still work to be done to fully reap the benefits of the digital transition, to memorialize their efforts at the June 12, 2009 deadline, the FCBA formally commended the dedicated members of government working on the task.

For
Their Efforts in Outreach
to the American Public to
Minimize the Difficulties in the
Digital Television Transition

For almost two decades, the staff of the FCC and NTIA have worked to transition the broadcast television industry from analog technology to digital technology. Earlier this year, concerned that the public was not ready for the changes that would come with this transition despite the tireless efforts of the FCC and NTIA staff, Congress extended the date set for the final transition until June 12, 2009. For many months, the staff of the FCC and NTIA have committed themselves to addressing the problems faced in this historic endeavor, reaching out to American citizens and traveling to where they live and work in an effort to make as smooth as possible the digital transition. In an almost unprecedented effort, the FCC and NTIA staff have worked diligently with private industry on behalf of their constituents: the citizens of the United States. For this effort, the FCBA commends the digital transition team, including not only Chairman Copps and Commissioners Adelstein and McDowell at the FCC and Acting Assistant Secretary Anna Gomez and Associate Administrator Bernadette McGuire-Rivera at NTIA, but the hundreds and hundreds of other leaders and staff who worked indefatigably over the past six months, and prior years, under difficult circumstances to assist viewers of broadcast television throughout this nation.

FCBA Foundation Reports Successful 2008-2009 Year

The Federal Communications Bar Association Foundation, celebrating the 18th Anniversary of its founding, had a successful year providing charitable support for education and children's issues in furtherance of the goals set out in its Mission Statement to:

1) Support worthwhile communications-related and educational projects, as well as other community service projects, particularly those directed towards children and students, through financial contributions and through volunteer services provided by Foundation members and others.

2) Foster greater public awareness and understanding of the development of communications technology, resources and law.

The Foundation's accomplishments this year included awarding about \$140,000 in college scholarships, plus laptop computers, to 11 students from five inner-city District of Columbia high schools; providing \$40,600 in stipends to eight law students who accepted unpaid communications-related legal summer internships; donating \$75,000 to **Horton's Kids** and over \$16,000 to the **FCBA Foundation Scholarship Program** raised during the annual Charity Auction co-sponsored with the FCBA's **Young Lawyers Committee**, and numerous volunteer activities. These activities, and the Foundation's overall success, is a direct result of the generous support of individual FCBA members, as well as their firms and companies. This Annual Report summarizes the Foundation's activities during the recently completed 2008-2009 year.

TRUSTEES

The Foundation is governed by a Board of Trustees, most of whom are elected by the FCBA membership, but which

also may include persons appointed in accordance with the Foundation's By-Laws. This year's Trustees were **Rick Chessen, Erin Dozier, Stacy Robinson Fuller, Julie Kearney, Donna Lampert, Larry Movshin, Henry Rivera, and Megan Anne Stull**. The Foundation's officers, as elected by the Board of Trustees, were: **Jane Mago**, Chair; **Mike Altschul**, Treasurer; **Natalie Roisman**, Assistant Treasurer; **Celia Nogales**, Secretary; **Rick Whitt**, Assistant Secretary.

Three non-Board members worked extensively with the Board as co-chairs of the Volunteer Services Committee, **Joanna Georgatsos, Howard Weiss, and Tom Van Wazer**. The FCBA's Executive Director **Stan Zenor**, Director of Member Services **Kerry Loughney, Wendy Parish** and **Ann Henson**, provided invaluable support to the Foundation.

SCHOLARSHIP PROGRAM

The Foundation's scholarship program, the **Chairman Robert E. Lee Scholarship Fund**, is its most significant undertaking, both in terms of the funds awarded and in the amount of time required to administer the program. The 11 scholarships, and the laptops awarded to the scholarship recipients have the Foundation committing approximately \$140,000 to this year's scholarship program, helping these very deserving students. The scholarship recipients and additional details about this year's scholarship program are described in the report, which appeared in the **July 2009** issue of the **FCBA News**.

The scholarships are awarded based on a number of different criteria, including the student's predicted ability to succeed in college, past academic performance, participation in school activities, school attendance, service to the community, financial need, and other relevant factors that may apply to each individual applicant. The scholarship applicants are reviewed on the basis of a written application (including

biographical information, academic performance and an essay) and a personal interview with members of the Foundation's Board of Trustees and other FCBA volunteers.

Erin Dozier and **Stacy Robinson Fuller** served as the Foundation's Scholarship Committee Co-Chairs, overseeing the entire program. They were responsible for contacting and coordinating with the seven District of Columbia high schools from which the Foundation solicited applicants: Bell Multicultural High School, Calvin Coolidge High School, Cardozo High School, McKinley Technology High School, Thurgood Marshall Academy Public Charter School, Roosevelt High School, and Spingarn High School. The Foundation received 31 written applications. The Scholarship Committee Co-Chairs participated in and coordinated the review of the written applications, which determined the 15 applicants who would be interviewed. The Co-Chairs also participated in and coordinated the applicant interviews, in which the Trustees and other members of the FCBA participated. The Co-Chairs also attended the award ceremonies at several of the high schools to announce the scholarship recipients at those schools.

The Foundation thanks **Alan Fischel, Lisa Fowlkes, Erin Kim, Elizabeth McIntyre, Nancy Murphy, and Marisa Roy** for serving as the Scholarship Committee's liaisons to each of the participating D.C. public high schools in 2008-2009. We also thank the following volunteers for reviewing applications, interviewing students and/or serving as mentors for scholarship recipients: **Darren Abernethy, Roz Allen, Dennis Amari, John Beahn, Shellie Blakeney, Bob Branson, Karen Brinkmann, Maria Cattafesta, Jennie Chandra, Debra Clemens, John Conwell, Adam Copeland, Mary Crespy, Parul Desai, Allison Ellis, Nneka Ezenwa, Justin Faulb, Georgina Feigen, Jackie Flemming, Paige Fronabarger, Katrina Gleber, Diane Griffin, Marla Hackett,**

Kathleen Ham, Timothy Harr, Gina Harrison, Mia Hayes, Sarah Jameson, Kathleen Jarmiolowski, Karen Johnson, Ken Keane, Angela Kronenberg, Luisa Lancetti, Anisa Latif, Anne Lucey, David Marks, Patrick McFadden, Maury Mechanick, Marlee Miller, David O'Connor, Nancy Ory, Nirali Patel, Lee Petro, Laura Phillips, Stephanie Podey, Joy Ragsdale, Alexander Ripps, A. Angélique Roche, Peter Ross, Marisa Roy, Kevin Ryan, Donna Rynex, Mike Senkowski, Peter Shields, Anjali Singh, Sally Smith, Christopher Sova, Cindy Spiers, Heidi Stack, Tara Thue, Cheryl Tritt, Melissa Troiano, Nancy Victory, Kevin Walsh, Howard Weiss, Ron Whitworth, Cody Williams, Wes Wright, Richard Young, and Stefanie Zalewski. Thank you also to the **National Association of Broadcasters** for making its offices available for the applicant interviews.

The Foundation also continued its mentoring program of soliciting FCBA members interested in serving as a mentor to a scholarship recipient. **Jennifer Holtz** coordinated this program. The mentors are available to help support the students in their transition to college. This is an important component of the scholarship program, as most of the scholarship recipients lack family members or other people to whom they can turn who have gone through the college experience to provide advice and assistance. At year-end, the Foundation's Board approved an event where the scholarship recipients, their mentors, and several Foundation Board members attended the July 21 Washington Mystics basketball game. Thanks to the **National Association of Broadcasters**, who donated tickets to their Executive Suite at the Verizon Center for the Foundation to host this event.

INTERNSHIP PROGRAM

The Foundation's internship program awards stipends from the **Chairman Robert E. Lee Scholarship Fund** to law students serving in unpaid

communications-related legal summer internships. The Foundation made awards to eight students, totaling \$40,600. The base amount of each stipend is \$5,000, which is intended to help defray the student's expenses during the internship. One student is selected to receive an additional \$600 **Max Paglin Award**, in honor of the former FCBA member, FCC General Counsel and Executive Director, and founder of the Golden Jubilee Commission on Telecommunications. This year's recipients, all interning at the FCC, are:

Jeremy Berkowitz, of Catholic University of America, who will be working at NTIA in the Office of Policy Analysis and Development

Kiersten Kamman, of Indiana University Maurer School of Law-Bloomington, who will be working at the FCC in the Media Bureau Policy Division

Linda Otaigbe, of the University of Virginia School of Law, who will be working at the FCC, International Bureau, Strategic Analysis and Negotiations Division

Anya Raytenberg, of George Washington University Law School, who will be working at the Library of Congress in the Office of the General Counsel

Kevin Ryan, of Catholic University of America, who will be working for the House Subcommittee on Communications Technology & the Internet, House Energy and Commerce Committee

Robert Samuel, of Wake Forest University School of Law, who will be working at the FCC in the Office of Commissioner Robert McDowell

Rachel Sanford, of Catholic University of America, who will be working at NTIA in the Office of Policy Analysis and Development; **MAX PAGLIN AWARD WINNER - \$600 STIPEND**

Valerie Warner, of Emory University School of Law, who will be working at National Public Radio in the Office of the General Counsel.

Julie Kearney and **Megan Anne Stull** chaired the internship program. This included coordinating the distribution of notices of the Foundation's Internship Program to law schools throughout the country (a copy of the application also is posted on the Foundation's website), and then coordinating the review of the 34 applications submitted. A group of Foundation Trustees and FCBA members reviewed the applications, evaluating the applicants' financial need, academic achievements, community service, and the relationship of their proposed internship to communications law.

CHARITY AUCTION

The 2008 Charity Auction was held on November 6, 2008. Co-sponsored by the Foundation and the **FCBA Young Lawyers Committee**, this year's event raised \$75,000 to benefit Horton's Kids and over \$16,000 to benefit the FCBA Foundation Scholarship Program. Founded in 1989, Horton's Kids (<http://hortonskids.org/>) is a D.C.-based non-profit organization that provides academic and social services to children living in one of the city's most underserved neighborhoods.

The Charity Auction planning committee members were **Mark Brennan; Micah Caldwell; Christopher Fedeli; Paige Fronabarger; Tarah Grant (Chair); Karen Henein; Catherine Hilke; Adam Kirschenbaum; Kerry Loughney; Larry Movshin; Nancy Ory; Natalie Roisman; Colin Sandy; Megan Anne Stull; and Ryan Wallach.**

The sponsors of the 2008 Charity Auction were: **CTIA - The Wireless Association; Davis Wright Tremaine LLP; Google Inc.; Hogan & Hartson LLP; Lawler Metzger Milkman & Keeney, LLC; Lockheed Martin Corporation; Morrison & Foerster LLP;**

Sidley Austin LLP; Wiley Rein LLP; and Willkie Farr & Gallagher LLP.

COMMUNITY SERVICE

The Foundation continued its long-standing, monthly volunteer activities at Martha's Table and McKenna's Wagon. On the last Sunday morning of each month, volunteers helped prepare meals for the homeless at Martha's Table, and on the fourth Sunday of every month volunteers delivered meals to the homeless in the District through McKenna's Wagon (a mobile soup kitchen operated by Martha's Table). **Howard Weiss** was responsible for coordinating the Sunday morning meal preparation, while **Joanna Georgatsos** and **Tom Van Wazer** coordinated the McKenna's Wagon volunteers.

FOUNDATION VOLUNTEER OF THE YEAR

At the FCBA's annual meeting and luncheon on June 11, the Foundation recognized **Rudy Baca** as its Volunteer of the Year. Rudy was a long-time supporter of the Foundation's efforts and was very involved in the Charity Auction, serving at the cashier's table on the night of the Auction for many years.

FUNDRAISING

The Foundation could not maintain or increase the level of services it provides without the funds needed to do so. The Board of Trustees remained committed to funding scholarships and internships using funds raised during the current year rather than drawing on the Foundation's reserves. At the same time, the Board hoped to further build the Foundation's reserves towards eventually reaching a level at which income from the reserves is sufficient to help fund the Foundation's on-going work. Fundraising is, therefore, a critical element to the Foundation's ability to fulfill its mission. **Michael Altschul** and **Larry Movshin** co-chaired the Foundation's Fundraising Committee, taking the lead in what was a very successful year for donations,

particularly for the **Robert E. Lee Scholarship Fund**.

Special thanks go to the following companies and law firms for endowing specific named scholarships for high school students: **2008 FCBA Charity Auction Committee** (\$16,000); **AT&T Services, Inc.** (\$25,000); **Comcast Corporation** (\$8,000); **Friends of Karen A. Kincaid** (\$12,000); **Google Inc.** (\$10,000); **News Corporation** (\$20,000); **Sidley Austin LLP** (\$10,000); **The DIRECTV Group, Inc.** (\$16,000); . The Foundation also thanks the substantial contributions to its scholarship fund from: The Foundation gratefully acknowledges the support of the following companies, law firms and individuals, who made significant contributions to the program this year: **Kathleen and Charles Abernathy; Michael Basile; Robert Beizer; Bingham McCutchen LLP; Diane Burstein; Diane Cornell; Seth & Diane Davidson; Mark Denbo; Erin Dozier; Paul S. Feira; Fletcher, Heald & Hildreth, PLC; Joseph Godles; Tara Giunta; Patrick Grant; Joyce Gwadz; J.G. Harrington; John Griffith Johnson, Jr.; Kamlet Shepherd & Reichert, LLP; Julie Kearney; Lampert, O'Connor & Johnston, P.C.; Lawler, Metzger, Milkman & Keeney, LLC; Lerman Senter PLLC; John Logan; Jane Mago; F. Thomas Moran; Lois and Larry Movshin; David O'Connor; Scott Patrick; Laura Phillips; Qwest; Charla Rath; Henry Rivera; Natalie Roisman; Kenneth Satten; Peter Schildkraut; Mark Schneider; Skadden Arps Slate Meagher & Flom LLP; David Solomon; Anne Swanson; Jennifer Ullman; Willkie Farr & Gallagher LLP; Wiltshire & Grannis LLP; and Richard Zaragoza.** The Foundation also thanks **Microsoft** for providing free software for the laptop computers that the Foundation is awarding to its scholarship recipients. Thanks also to **Comcast Corporation** for underwriting the production costs of the video of this year's scholarship recipients that was shown at the June 11 FCBA luncheon.

The FCBA's 22nd Annual Chairman's Dinner, honoring FCC Chairman **Kevin**

Martin, was held November 18, 2008 at the Washington Hilton Hotel. The support of law firms and companies that purchased sponsor tables raised more than **\$25,000** for the Foundation's Scholarship Fund.

The 13th Annual FCBA Foundation Honorable Robert E. Lee Memorial Golf Tournament will be held on Thursday, September 10, at the Worthington Manor Golf Club in Urbana, MD. It is named in memory of former FCC Chairman Robert E. Lee, who passed away in April 1993 after serving on the FCC for almost 30 years. Thanks to **Robert Branson; Alan Campbell; Jonathan Cohen; Peter Corea; Joe Cramer; Tom Dombrowsky, Jr.; Steve Goodman; Phil Malet; Larry Movshin; Lee Petro; Joy Ragsdale; Glenn Reynolds (Chair);** and **Larry Walke** who served on this year's planning committee and once again will make the tournament a success.

CONCLUSION

The Foundation's Board of Trustees worked hard this year to build upon the success of past years. The continued generosity and dedication of FCBA members contributed to making this another successful year for the Foundation, helping to make a difference in the lives of students and children who are the direct beneficiaries of the Foundation's programs. As the year ended, four Board members ended their terms (**Rick Chessen; Donna Lampert; Jane Mago;** and **Larry Movshin**), while four new members prepared to start theirs (**Kyle Dixon; Jamie Hedlund; Anita Wallgren;** and **Jennifer Warren**). The remaining and new members of the Board of Trustees have a solid Foundation upon which to build and continue to fulfill the mission upon which it embarked 18 years ago, making a difference in the community in which many of us work and live.

Foundation Student and Mentor Mystics Event

The Foundation hosted its 2009 scholarship winners and their volunteer mentors at a Washington Mystics basketball game on July 21. The Foundation would like to thank the National Association of Broadcasters for donating the use of their Executive Suite and all those who volunteered to serve as a mentor. A good time was had by all.

McKenna's Wagon Seeking Volunteers for August 23

McKenna's Wagon is a mobile soup and sandwich wagon that goes "on location" to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at 4:45 pm in comfortable clothes and shoes. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and

put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 p.m.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **August 23** or for one of the future dates, **September 27, October 25, November 22, or December 27**, please contact **Joanna Georgatsos** at georgatsos@lojlaw.com or **Tom VanWazer** at tvnwazer@sidley.com.

Volunteer Outreach for Martha's Table – August 30

Martha's Table feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin at 10:00 am and work until 1:00 pm. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the **last Sunday of every month**, so mark your calendars now. For more information, contact **Howard Weiss** at 703-812-0471 — weiss@fhhlaw.com.

In MEMORIAM

Libby Beaty 1960-2009

Elizabeth Waeger ("Libby") Beaty, Executive Director of the National Association of Telecommunications Officers and Advisors ("NATOA") and a former FCC Assistant Bureau Chief, died of cancer June 12, 2009.

Libby was born and raised in Pinson, Alabama, northeast of Birmingham, and attended high school there. She crafted her own B.A. in business management and fine arts from Warren Wilson College in Swannanoa, North Carolina. Following graduation, she worked in New York City for RKO Pictures, Tri-Star Pictures and Children's Television Workshop. Libby earned her J.D. at Brooklyn Law School.

Prior to joining NATOA in 1999, Libby served in several managerial positions at the FCC, including Assistant Bureau Chief of the Cable Services Bureau and head of its Financial Analysis and Compliance Division. In February of 1999, she was named Deputy Director of the Office of Legislative and Intergovernmental Affairs.

NATOA is a national organization of local appointed and elected officials promoting community interests in communications. During Libby Beaty's tenure, the organization broadened

beyond cable television regulation to include other important public policy issues such as community broadband, "Gov. 2.0," wireless and public safety telecommunications. The NATOA web site home page praised Libby's ten years as Executive Director for "her exemplary leadership and her fierce advocacy on behalf of communities across America."

Elizabeth Beaty is survived by her husband, Randy Noranbrock, and two sons, Jonathan and Nicholas, as well as her parents, Frank and Alvina Beaty of Pinson, Alabama, three sisters and a brother. A service of remembrance was held Friday, June 26th, at the George Washington Masonic Memorial in Alexandria. NATOA has established an education fund for Libby's sons, with details posted at www.natoa.org.

Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members' firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. We will be experimenting with some new presentation technology in future CLE seminars, which require more technical support than we have needed in the past.

In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for presentations by speakers. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, stan@fcba.org, or **Kerry Loughney**, kerry@fcba.org.

If you missed this 4-hour Seminar, buy it now!

This seminar focuses on new state and federal laws, guidelines, developments, and risks that will impact privacy and data security for media and communications companies in 2009 and beyond under the new Obama Administration. It covered issues related to mobile marketing, behavioral advertising, social networking, the CAN-SPAM Act, fax advertising, security breach notification laws, state encryption and security practices and policies for protecting SSNs and credit card data, and much more. It also provides implementation specifics for the FTC's new Red Flag Rules that apply to any entity that defers payment of services or goods; the FTC's enforcement effective date is May 1, 2009. A wealth of written materials is also included on the DVD.
