## PRESIDENT'S Message

### DEAR MEMBERS:

Happy New Year and welcome to the 75th anniversary year of the FCBA! We had a wonderful 2010, including a great series of lunches with Senators Mark Begich and Mike Johanns, FCC Commissioners Mignon Clyburn and Meredith Attwell Baker, as well with Assistant Secretary Larry Strickling, the inaugural (and standing room only) Distinguished Lecturer luncheon with Dean Erwin Chemerinsky, bountiful CLEs, a “most interesting” Chairman’s Dinner, and the launch of our Pay It Forward initiative. I attended the December 17 graduation ceremony for our Pay It Forward partner Byte Back, and came away further convinced that the tremendous resources of the FCBA can transform the lives of hundreds of Washingtonians trying to enhance their digital literacy and return to the workforce.

I’m proud to say that the pace—and more importantly, the quality—of our programming doesn’t abate in the new year. This month, we have partnered with the Federal Energy Bar Association to host a breakfast with our own Scott Blake Harris, general counsel at the Department of Energy, on January 18 at the Capital Hilton. And speaking of anniversaries, on February 15 at the Capital Hilton, FCC Commissioner Michael Copps will keynote a luncheon to assess the Telecommunications Act of 1996 on its 15th birthday.

In coming months, we’ll feature our spring legislative reception and of course, the 2011 FCBA Annual Seminar on April 29 through May 1 at the Nemacolin Woodlands Resort in Pennsylvania. We already have a strong line up of Commissioners and other speakers on board and a few new programming surprises, so register right away. And look for some special events in the coming months that will highlight the FCBA in its diamond anniversary year.

This month, the Pay It Forward spotlight will shine on **Alison Minea**, who has demonstrated the Pay It Forward ideals of service, dedication, and generosity of spirit. Alison, who serves as Corporate Counsel at DISH Network, is very active in the FCBA, notably in partnering with Ryan Wallach of Willkie Farr & Gallagher, to develop, plan, and execute the Pay It Forward kick-off event at the Arena Stage this past November. She will also be serving as a tutor for students enrolled in Byte Back’s program this year. In addition, Alison serves on the steering committee for the Crittenton Services High Tea 123rd Anniversary event this April. Crittenton Services of Greater Washington focuses on “pregnancy prevention, healthy relationships, teen parenting and goal setting that helps teen women create successful lives.” For all of these efforts and her continued commitment to the FCBA, Alison has been selected to bask in this month’s Pay It Forward spotlight!

I believe that 2011 will be a year of growth and of excitement for our bar association. And, with the 75th anniversary, we have an opportunity to reflect of how far we have come as a legal community and as an industry. Here’s to another 75 wonderful years! As always, if you have any comments, feedback, or suggestions for improving our operations, please email me at [fcba.bryan@wbklaw.com](mailto:fcba.bryan@wbklaw.com).

Best wishes in the new year,

**Bryan Tramont**

### Wednesday, January 12, 6:00 – 8:15 p.m. Major International Privacy Developments: Impacts on Multi-National and Globally-Networked Environments

*Presented by the International Telecommunications and Privacy and Data Security Committees*

The FCBA International Telecommunications and Privacy and Data Security Committees will be co-hosting a CLE on **Wednesday, January 12, 2011 from 6:00 – 8:15 p.m.** at Bingham McCutchen LLP, 2020 K Street, NW. This seminar will address the major international privacy laws and policies that impact all companies with a multi-national structure or business model. These companies must navigate myriad privacy laws ranging from the broad EU privacy laws to the often more patch-worked laws in Asia and the Americas, including the APEC Privacy Framework. This CLE will include two panels: one focused on recent international data privacy policy and enforcement developments (including the revision of the EU Data Protection Directive, the implementation of the APEC Privacy Framework, and the U.S. FTC's enforcement practices), and the second will examine case studies of specific cross-border privacy problems facing multi-national companies (including issues arising

from transferring data to offices around the world, using third party cloud computing service providers, behavioral advertising, and data transfer issues that result from government subpoenas and cross-border investigations).

For any questions related to this CLE Seminar, please contact **Karen Henein**, Co-Chair, FCBA Privacy & Data Committee at [khenein@willkie.com](mailto:khenein@willkie.com) or **Jennifer Ullman**, Co-Chair, FCBA International Telecommunications Committee at [jullman@ntgts.org](mailto:jullman@ntgts.org).

Related to Smart Grid Technologies and Communications Requirements of Smart Grid Technologies. In a proceeding initiated and conducted under the auspices of the General Counsel's office, these reports were the culmination of a comprehensive public process that included both a public notice and comment proceeding and public meetings. They set forth a series of findings and recommendations for both industry and government—some of which are already being implemented.

Harris was nominated as General Counsel of the Department of Energy by President Barack Obama in March, and was confirmed by the United States Senate in May 2009. He also serves as Co-Chair of the Broadband Subcommittee of the Administration's National Science and Technology Council.

Mr. Harris has practiced law in Washington, DC for 34 years both in

the private sector and in government. He has had extensive litigation, telecommunications and technology law, trade law, administrative law, and national security law experience. Prior to joining the Department, Harris was the Managing Partner of Harris, Wiltshire & Grannis LLP, a nationally recognized law firm founded in 1998. He has also been a partner in the law firms of Williams & Connolly LLP and Gibson, Dunn & Crutcher LLP, where he headed the firm's communications practice. Harris also served in government from 1993 to 1996, first as Chief Counsel for Export Administration in the United States Department of Commerce, and then as the first Chief of the International Bureau at the Federal Communications Commission. Early in his career he served as a law clerk to the Honorable Gerhard A. Gesell on the United States District Court for the District of Columbia.

Harris has also been active in the legal and policy communities, including as a longtime, active member of the FCBA. He has been a member of the Advisory

Board of Virginia Tech's Center for Wireless Communications, Chairman of the FCC's Advisory Committee for the 1997 World Radio Conference, Co-Chair of the Council on Foreign Relations Study Group on Information Technology and Foreign Policy, a member of the Executive Committee of the United States ITU Association, a Trustee of the FCBA Foundation, Co-Chair of the FCBA's International, Online, Legislative Practice, and Annual Seminar Committees, and an Adjunct Professor at Georgetown Law Center.

Harris graduated *magna cum laude* from both Harvard Law School and Brown University, where he was a member of Phi Beta Kappa. He has received many honors during his legal career, including the prestigious Marconi-Bell Award from the National Association of Radio and Telecommunications Engineers and the Chairman's Award for Special Achievement at the Federal Communications Commission, and he is regularly ranked among the top lawyers in DC and nationally.

### FCBA Foundation Now Accepting Applications for Funding of Unpaid Legal Internships

For the 18th consecutive year, the Federal Communications Bar Association (FCBA) Foundation will award stipends to law students from its Chairman Robert E. Lee Scholarship and Internship Fund. In 2011, the Foundation will award several stipends to law students employed as unpaid summer interns in positions with the FCC and other government agencies or entities with a connection to the communications industry. In addition, the Foundation will select one outstanding intern among those chosen to receive an additional stipend for the summer—the “Max Paglin Award.” Mr. Paglin was the former General Counsel and Executive Director of the FCC, and the founder of the Golden Jubilee Commission on Telecommunications, which compiled a definitive legislative history of the Communications Act.

Applicants will be selected on the basis of: (1) a demonstrated interest in the communications field, (2) having secured or having pending, an unpaid summer position (internship) for at least eight weeks in communications with a government agency or entities with a connection to the communications industry, (3) dependence on financial assistance in order to accept the unpaid internship in a government agency or entity involved in communications; and, (4) community activities. To the extent a recipient receives unanticipated funding for the unpaid internship, the FCBA Foundation’s general policy is to reduce its scholarship awards by any amount that a recipient’s total funding (including all sources) for the internship would otherwise exceed \$7,000.

Applications for a Lee Fund scholarship should be submitted to Kerry Loughney, FCBA Foundation, 1020 19th Street,

NW, Suite 325, Washington, DC 20036 or [kerry@fcba.org](mailto:kerry@fcba.org). **Applications must be postmarked by March 16, 2011.** Applicants may be asked to interview with members of the Foundation Board; interviews may be conducted by telephone. Please encourage eligible applicants to apply.

The application for a Lee Fund scholarship is posted in the Foundation section of the FCBA Website – [http://www.fcba.org/foundation/internship\\_stipends.shtml](http://www.fcba.org/foundation/internship_stipends.shtml).

### Combined Federal Campaign (CFC)

The FCBA Foundation is proud to participate in this year’s Combined Federal Campaign for the National Capital Area. Federal employees in the nation’s capital can now make regular tax-deductible contributions to the FCBA Foundation through the Combined Federal Campaign, providing funds to support and help expand the Foundation’s vital charitable work.

To make a pledge to the FCBA Foundation, donors should use the FCBA Foundation’s CFC code number (**#31092**) on their pledge cards. Pledge cards can be obtained from your agency’s CFC campaign staff. Pledge cards can also be completed and printed out online through the CFC website at [www.cfcnca.org](http://www.cfcnca.org). On the website, click “Giving” and “About CFC-e” for more information.

Your donations will support the valuable work performed by the FCBA Foundation. Last year, the Foundation’s work included:

- Awarding nine college scholarships to D.C. public high school students and stipends to seven law school students for unpaid legal communications-related summer internships totaling close to \$175,000
- Sponsoring numerous volunteer events for FCBA members, including

making meals for the homeless at Martha’s Table and delivering meals to the homeless through McKenna’s Wagon each month

- Co-Sponsoring the 2010 Charity Auction for Project Wait No Longer and the FCBA Foundation which raised over \$130,000

Please contact **Julie Kearney**, FCBA Foundation Chair, ([jkearney@ce.org](mailto:jkearney@ce.org)), if you have any questions.

### McKenna’s Wagon Seeking Volunteers for January 23

McKenna’s Wagon is a mobile soup and sandwich wagon that goes “on location” to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha’s Table at 4:45 pm in comfortable clothes and shoes. Martha’s Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution

is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 p.m.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **January 23** or for a future date, please contact **Joanna Georgatsos** at [georgatsos@lojlaw.com](mailto:georgatsos@lojlaw.com).

### Martha's Table Seeking Volunteers for January 30

Many of us are stretched for time these days, but why not consider spending a few hours on a Sunday to help the FCBA Foundation's partner charities? For several years now, the FCBA has been providing volunteers to Martha's Table and McKenna's Wagon. These organizations rely on the good work of our members each month, so grab a friend, colleague or family member and join your fellow FCBA volunteers!

Martha's Table feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin at 10:00 am and work until 1:00 p.m. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the **last Sunday of every month**, so mark your calendars now. For more information, contact **Howard Weiss** at 703-812-0471 -- [weiss@fhhlaw.com](mailto:weiss@fhhlaw.com).

The new decade brings a host of new laws, increased government oversight and class action lawsuit potential regarding the privacy and security of personally identifiable information for consumers, clients, and employees of communications and media companies.

The third session provided an overview of domestic state and federal laws, regulations, and guidelines that govern traditional telemarketing and commercial messages and promotional efforts delivered via wireless devices, including nuances regarding text messages, bounceback messages, and wireless emails.

A wealth of written materials is also included on the DVD.
