Some agencies, departments and branches of the Federal Government, however, apply additional stipulations above the regulations issued by the Office of Government Ethics. Individuals who have signed the Administration's Ethics pledge cannot accept invitations from most registered lobbying organizations or registered

lobbyists. While this event has qualified as a widely-attended-gathering in previous years, each FCC employee is required to obtain individual ethics clearance based on matters they are working on within the Commission. Employees of the Commerce Department are required to obtain individual ethics clearance through the Department's Office of General Counsel. Invitations to Members of Congress, Congressional Staff, and employees of the Department of State must be issued by the FCBA. Contact the FCBA for additional information.

The reservation form for tables and individual tickets will be in the October newsletter.

INVITING GOVERNMENT GUESTS

Pursuant to the Office of Government Ethics regulation on widely-attended gatherings (5 C.F.R. 2635.204(g)(2)), the Chairman's Dinner appears to qualify as a widely attended gathering. The value of an individual ticket to the dinner is \$205.00. Most employees of the Federal Communications Commission and the Commerce Department may be directly invited to attend the dinner as guests of individuals and organizations purchasing tables or tickets. PRESIDENT'S Message

DEAR MEMBERS:

Fall means back to school after summer vacation, and the FCBA is no exception. As you all know, one of the key benefits the FCBA provides is timely continuing legal education focused on communications law and policy. Our substantive and CLE committees have been hard at work, developing programming and rounding up speakers to appeal to all members of the Association – government, public interest, private sector, and students – and to contribute to the public policy dialogue. We know that many organizations offer CLEs, and we want to ensure that the FCBA continually presents material that meets the specific needs of its members. We welcome your feedback and ideas for future programs. Below is a preview of what Fall holds in store.

CLEs: As many of you know, a vast amount of planning and coordination goes into conducting a successful CLE event. The co-chairs of our CLE Committee work closely with the co-chairs of each substantive committee to ensure that a wealth of the most up-to-date information is available to our members. From brainstorming topics and scheduling to securing a venue and lining up the panelists, our committees work tirelessly to bring you the latest legal, technical, and policy developments. Special kudos to our **CLE Committee co-chairs, Christine Crowe, Erin Dozier, Eric Einhorn, and Charles Mathias** for shepherding all of our CLE efforts and ensuring a full CLE schedule spread across several months. Together with the CLE Committee, our substantive committees have developed a diverse menu of CLE options for you to choose from this Fall:

- On September 23, the **Judicial Committee** kicks off the school year with a CLE on broadcast indecency after the *Fox* decision.
- The **State and Local Practice Committee** looks at USF reform in light of the Comcast decision on September 27.
- Next, the **Privacy and Data Security Committee** focuses on the Electronic Communications Privacy Act on September 28.
- To close off the calendar year on December 2, the Intellectual Property Committee, the Broadband Committee, and the Video Programming & Distribution Committee partner up to look back on the Digital Millennium Copyright Act after *Viacom/YouTube* and *GME*.

The **Mass Media, Wireless, Access to Government, and the Diversity Committees** will be finalizing their fall CLE programs shortly. As always, keep an eye on the FCBA website for additional CLE announcements.

Paying it Forward through CLEs: What better way to Pay It Forward than by educating law students and junior lawyers about communications practice and hot topics? Well while our Committees are developing their Fall programming, they are Paying It Forward by also creating opportunities to incorporate a wide base of young lawyers and law students into CLE programs. In this way, as in many others, our Association offers an excellent platform for career development. For example, at least one Committee plans to offer junior attorneys the chance to prepare and present a brief abstract of the issue to be explored at a Fall CLE. I applaud the Committee's creativity and dedication to growing our new generation of Bar leadership through participation in CLE programming.

With so many great FCBA events coming up this Fall, I look forward to seeing many of you out and about town and across the country.

Agenda

6:00 – 6:05 p.m.

WELCOME AND INTRODUCTIONS

6:05 – 7:05 p.m.

TOPIC I: ECPA’S WILD RIDE: 1986 TO 2010

ECPA was enacted before the widespread adoption of the Internet and new technologies such as personal computers, email, text messaging, and mobile phones, which are now a standard part of our lives. Since then, courts, government agencies, law enforcement and businesses have grappled with how to apply ECPA in the midst of rapid technological change. Balancing privacy rights with the needs of law enforcement in the digital world is a challenge. Our panel of experts will explore how ECPA has been

implemented and interpreted over its first 15+ years and highlight coverage gaps, circuit-splits, and related issues raised by growing national security threats and the advent of new technologies and applications such as social networking, online advertising, geolocation and cloud computing – all of which suggest that the time to reform ECPA is now.

Moderator:

John J. Heitmann, Co-Chair, FCBA Privacy and Data Security Committee, and Partner, Kelley Drye & Warren LLP

Speakers:

Charles Kennedy, Adjunct Faculty, Catholic University of America Law School, and Partner, Wilkinson Barker Knauer, LLP

C.M. Tokè Vandervoort, Vice President & Assistant General Counsel – Technology & Privacy, XO Communications

Marc J. Zwillinger, Partner, Zwillinger Genetski LLP

7:05 – 7:15 p.m.

BREAK

7:15 – 8:15 p.m.

TOPIC II: ECPA REFORM: WHAT WE NEED MAY DEPEND ON WHERE YOU SIT

While there is widespread consensus on the need for ECPA reform, not everyone agrees on how it should be done or on whether it can get done. Our panel of experts will explore the proposals and prospects for legislative reform of ECPA.

Moderator:

Genie Barton, Co-Chair, FCBA Privacy and Data Security Committee and VP & General Counsel, USTelecom

Speakers:

Will Devries, Policy Counsel, Google Inc.

Richard Downing, Assistant Deputy Chief for Technology and Procedural Law, US Department of Justice (invited)

Andrew McLaughlin, Deputy U.S. Chief Technology Officer, Internet Policy, White House (invited)

Gregory T. Nojeim, Senior Counsel and Director, Project on Freedom, Security & Technology, Center for Democracy & Technology

Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members’ firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. We will be experimenting with some new presentation technology in future CLE seminars, which require more technical support than we have needed in the past.

In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for presentations by speakers. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, stan@fcba.org, or **Kerry Loughney**, kerry@fcba.org.

Charity Auction – Volunteers Needed!

The 2010 FCBA Charity Auction is right around the corner – **October 28, 2010** – and the Auction Committee still needs more volunteers to help make this year's event the most successful one yet!

To volunteer, send an e-mail to Auction Chair **Micah Caldwell** at FCBAuction@gmail.com. We are currently focused on gathering donations from local businesses to be used as auction prizes, so please identify particular neighborhoods or businesses you can contact for contributions. In addition, please indicate whether you would like to help out later in the process by selling raffle tickets and/or volunteering on the night of the auction.

Volunteering for the Charity Auction is fun and a great way to meet other FCBA members while giving back to the community! Your help is greatly appreciated!

Charity Auction – Prize Donations Needed!

The Auction Committee is making some exciting changes this year to increase participation in the Charity Auction, including expanding the donor base and working with potential donors to bring in new creative “priceless” prizes (i.e., tickets to exclusive events, behind-the-scenes tours, and other unique prizes that can't be obtained anywhere else!). Please consider whether you have any ideas or “connections” that would be helpful in procuring such items, which are sure to be popular additions to our event.

The Auction Committee truly appreciates the tremendous support and enthusiasm shown by members of the bar with respect to the annual Charity

Auction. Your generosity in the form of donations, volunteering and participation in auction bidding is what makes this event so successful year after year. If you would like to make a donation, please use the **Auction Donation Form** on **page 18** of this newsletter. Contributions are tax deductible, to the extent permitted by law.

The 21st Annual Charity Auction will be held on **Thursday, October 28, 2010**, at the **Hamilton Crowne Plaza Hotel, Sphinx Ballroom at the Almas Temple, 1315 K Street, NW, Washington, D.C.**, from **7:00 to 9:30 p.m.** If you have any questions about the auction, please contact **Micah Caldwell**, 202-939-7901, mcaldwell@fh-law.com, or **Kerry Loughney**, 202-293-4000, kerry@fcba.org.

International Telecommunications Committee

The 2010-2011 FCBA International Telecommunications Committee is developing its annual events calendar. Our goal is to include events that highlight current global communications issues including fixed, mobile, satellite and data trends and that feature prominent speakers from the U.S. and foreign governments, industry and private law practice. Last year, for example, we held programs that provided an overview of the telecommunications markets in Brazil, Cuba and Mexico and identified regulatory developments in EU Electronic Communications. We also had a lunchtime conversation with the FCC International Bureau Chief Mindel De La Torre and discussed foreign ownership issues with International Bureau staff. Our committee also co-sponsored a networking event at the House of Sweden.

This year, we are planning similar programs on topics related to the international telecommunications industry. The majority of our events will be scheduled for the first Thursday of each month. If you have any program ideas, speaker suggestions or other comments, please contact the committee co-chairs who are listed below.

The International Telecommunications Committee Co-Chairs are **Linda Cicco**, BT Americas, Inc. (linda.cicco@bt.com), **Gardner Foster**, International Bureau, Federal Communications Commission (FCC) (gardner.foster@fcc.gov); **Jennifer D. Hindin**, Wiley Rein LLP (jhindin@wileyrein.com); and **Jennifer S. Ullman**, International Public Policy & Regulatory Affairs, Verizon Communications (jennifer.ullman@verizon.com).

For general inquiries, you can also contact the FCBA at fcba@fcba.org or see www.fcba.org for more

information. We look forward to hearing from you and seeing you at future events. Enjoy the rest of your summer 2010!

Pay It Forward

We all have them – people in our lives who helped us along the way somehow, but we just don't know how to thank. So, what can we do? We can "pay it forward." We can be those special people to others in need. Paying it forward embodies a set of values important to the FCBA – giving back. To give back to our local and legal communities, the FCBA is launching a "Pay It Forward" initiative. FCBA President **Bryan Tramont** has asked former FCBA President **Diane Cornell** to head up the overall program.

The community service part of the initiative will focus on broadband adoption and utilization. We will be partnering with DC-area non-profit entities that have established programs fostering broadband adoption and/or digital literacy. FCBA and FCC volunteers will have the opportunity to assist with activities aimed at generating interest in broadband and developing digital literacy skills. Ideally, we will stage volunteer events about once each month which will be announced via this newsletter and email to the membership. The aim is to provide sufficient variety in activities and times so as to allow flexibility for volunteer

participation regardless of an individual's schedule.

The career development part of the Pay It Forward program will focus on providing additional platforms and mentoring opportunities for younger lawyers and law students, in close coordination with the activities currently ongoing in this area organized by the FCBA's Young Lawyers Committee. Already, the various FCBA committees are looking at steps they can take to help develop the careers of young lawyers, including offering panels and networking opportunities to bring experienced and newer attorneys together in the context of specific practice areas.

Employees of the FCC share the similar value of giving back as embodied in the Pay It Forward program, as does the FCC as an agency. Therefore, we are pleased to announce that the FCC will be partnering with the FCBA on some of the Pay It Forward initiatives. **Jennifer Manner** will serve as the program coordinator for the Pay It Forward initiative from the FCC.

We plan to formally launch the Pay It Forward program in September or early October. If you are interested in assisting with the program or have ideas that you would like to share, please send an email to **Kevin Ryan** at Kryan@wbklaw.com. And, watch the newsletter and emails for more information in the near future. We hope you will join us in "Paying it Forward"!

FCBA Foundation Establishes Task Force

In April 2011, the FCBA Foundation will celebrate its 20th Anniversary. Since all FCBA members are members of the Foundation, the Foundation Board of Trustees believes that now is an appropriate time to establish a small FCBA-wide Task Force to review its mission. The Task Force will assess the current activities of the Foundation, and issue by end of year a set of recommendations for changing those activities or maintaining the status quo. In making this assessment, the Foundation Board asks that the Task Force look toward the future to help it assess what the Foundation is, the environment in which it is likely to operate, what the Foundation does and why it does it. The Foundation Board wants the Task Force to help the Board focus on the crucial issues and challenges it will face going forward so that the Board can determine how to handle those issues and challenges. **Jennifer Warren** and **Anita Wallgren**, Foundation Trustees, will be leading this effort; and they welcome any written contributions from members of the FCBA to the Task Force. You may email them at jennifer.warren@lmco.com or awallgren@gmail.com.

Combined Federal Campaign (CFC)

The FCBA Foundation is proud to participate in this year's Combined Federal Campaign for the National Capital Area. Federal employees in the nation's capital can now make regular tax-deductible contributions to the FCBA Foundation through the Combined Federal Campaign, providing funds to support and help expand the Foundation's vital charitable work.

To make a pledge to the FCBA Foundation, donors should use the FCBA Foundation's CFC code number (#31092) on their pledge cards. Pledge cards can be obtained from your agency's CFC campaign staff. Pledge cards can also be completed and printed out online through the CFC website at www.cfcnca.org. On the website, click "Giving" and "About CFC-e" for more information.

Your donations will support the valuable work performed by the FCBA Foundation. Last year, the Foundation's work included:

- Awarding nine college scholarships to D.C. public high school students and stipends to seven law school students for unpaid legal communications-related summer internships totaling close to \$175,000
- Sponsoring numerous volunteer events for FCBA members, including making meals for the homeless at Martha's Table and delivering meals to the homeless through McKenna's Wagon each month
- Co-Sponsoring the 2009 Charity Auction for Bright Beginnings and the FCBA Foundation which raised over \$86,500

Please contact **Julie Kearney**, FCBA Foundation Chair, (jkearney@ce.org), if you have any questions.

Volunteer Outreach for Martha's Table & McKenna's Wagon September 26

Many of us are stretched for time these days, but why not consider spending a few hours on a Sunday to help the FCBA Foundation's partner charities? For several years now, the FCBA has been providing volunteers to Martha's Table and McKenna's Wagon. These organizations rely on the good work of

our members each month, so grab a friend, colleague or family member and join your fellow FCBA volunteers!

Martha's Table feeds hundreds of hungry, homeless adults and children on the streets of Washington daily, through its mobile soup kitchen. Children and friends are also welcome. We will begin at **10:00 a.m. and work until 1:00 p.m.** Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food.

The FCBA volunteers on the last Sunday of every month, so mark your calendars now. If you are able to volunteer on **September 26, October 31, November 28, or December 26**, please contact **Howard Weiss** at 703-812-0471 — weiss@fhhlaw.com.

McKenna's Wagon is a mobile soup and sandwich wagon that goes "on location" to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at **4:45 p.m.** in comfortable clothes and shoes. Martha's Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup),

and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for

food for their families. The area is well patrolled by police. The food distribution is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 p.m.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **September 26, October 24, November 28, or December 26** please contact **Joanna Georgatsos** at georgatsos@lojlaw.com.

Ann Aldrich, a former staff attorney in the office of the FCC General Counsel, later a private practitioner, law professor, and since 1980 a United States District Judge in the Northern District of Ohio, died in Cleveland in May at the age of 82. She was a member of the FCBA for more than 30 years, until her death.

Notable among her cases while in private practice was her representation of the Office of Communication of the United Church of Christ challenging renewal of the license of TV station WLBT, Jackson, Mississippi, in the late 1960's. She was counsel in proceedings both at the FCC and before the United States Court of Appeals for the District of Columbia Circuit. Her efforts and

those of co-counsel established the standing of representatives of the listening public to participate as intervenors in broadcast license renewal proceedings.

Judge Aldrich graduated *cum laude* from Columbia University and attended NYU Law School, where she was the only woman in her class and graduated second. Later she earned masters and doctoral law degrees from NYU. She also studied at the University of Geneva, Switzerland.

In 1968 she left private practice to join the faculty of Cleveland State University School of Law, where she later became its first female tenured professor. She spearheaded an effort by the law school to recruit minority students, and served

Hon. Ann Aldrich

as faculty advisor to the Black American Law Students Association. She was faculty advisor to the University radio station, and while at Cleveland State also served on the Board of Governors of Citizens Communication Center in Washington, D.C.

In 1980 Aldrich was appointed by President Carter to the United States District Court for the Northern District of Ohio, the first woman appointed to the federal bench in Ohio. After fifteen years on that court she took senior status in 1995, but continued actively to hear cases well into 2010 despite heart and kidney ailments.

She twice served as a delegate to the World Administrative Radio Conference in Geneva, Switzerland. She was one of the original fifteen members of the Frequency Management Advisory Committee, later the Spectrum Planning Advisory Committee. For fifteen years she served on that committee, through four presidential administrations, reviewing and helping develop recommendations to Presidents through their Secretaries of Commerce on use of the frequency spectrum.

Judge Aldrich was listed in *Who's Who in the Midwest*, *Who's Who in American Law*, and *Who's Who in America*. She is survived by four sons and eight grandchildren.
