PRESIDENT'S Message

DEAR MEMBERS:

The FCBA's fiscal year is going to end on a busy note, with the month of June full of major events. The annual **Spring Reception** will be held on June 11th, where I hope you will join prior FCC General Counsels and many others in the communications bar to congratulate **Mack Armstrong** as he receives the first FCBA Excellence in Government Service Award. On June 6th, the **12th Annual FCBA Foundation - Robert E. Lee Memorial Golf Tournament** will be held, with the proceeds going to support tuition grants for deserving District of Columbia High School graduates. June is also going to be a very busy month for CLEs and brown bags, including **Dale Hatfield's** ever popular "master class" tutorial on June 5th. Finally, the **Annual Luncheon** on June 20 will feature Representative Edward J. Markey.

The Annual Seminar May 2-4 had a great turnout for the election-oriented session theme, not to mention the family-friendly activities and the live band dinner dance. My thanks to the **Annual Seminar co-chairs, Scott Blake Harris, Linda Kinney, Jeanine Poltronieri and Charla Rath**, for their fantastic organizational and fundraising efforts for the weekend, and thanks to all of you who sponsored the event. A very successful **Mentoring Lunch** on May 8th was co-sponsored by the **Diversity Committee co-chairs Edgar Class, Parul Desai and Riley Temple**, and **Young Lawyer Committee co-chairs Chris Fedeli and Tarah Grant**. Of course, there were also many excellent CLEs and brown bag events in May.

As I reflect upon my year as President, I am very proud of all we have accomplished together. The Executive Committee made the decision this year to build on the FCBA's tradition of respect for the contributions of Government public servants by creating the new **Excellence in Government Service Award**, to be awarded annually to a federal government employee in the communications field who has demonstrated a commitment to excellence in public service. We also succeeded in upgrading the FCBA's **IT capability** across the board, including online registration and payment, a more efficient e mail distribution capability, online voting, and – starting with this year's renewals – online renewals. This enhanced infrastructure will improve participation in the FCBA's programs by making it easier for members to register for FCBA programs, receive communications from the FCBA office, and vote.

I would also like to congratulate the **FCBA Foundation Board of Trustees and Chair, Lee Petro, as well as the many volunteers**, for an outstanding year of charitable outreach, including intern stipends, scholarships for deserving high school students, and many community volunteer activities. Finally, to my mind the most important benefit the FCBA provides to its members are the many educational events that are organized throughout the year by the **Committee and Chapter co-chairs**. I would especially like to thank the Committee and Chapter co-chairs for all their efforts to develop such excellent educational programming this year.

Perhaps the best part about being President is having the opportunity to work alongside so many committed volunteers in our FCBA community. I have really enjoyed expanding my circle of FCBA colleagues, and making so much progress together towards our common goals. I particularly want to thank my fellow Officers and Executive Committee members, and of course our wonderful FCBA staff – **Stan, Kerry, Wendy and Ann** – for making this such a productive and enjoyable year.

Thursday, June 5, 3:00 - 5:15 p.m. **Masters Class: Essentials of Engineering for Telecommunications Policy Reform**

*Presented by the Engineering and
Technical Practice Committee and
Continuing Legal Education Committee*

Location: Hogan & Hartson LLP, 555 13th Street, NW

This Master Class will be taught by **Dale N. Hatfield**, engineer, consultant, adjunct professor at the University of Colorado and former Chief of the Office on Engineering and Technology at the FCC. This two and one-half hour CLE, which will be an update of the very successful CLE that Hatfield taught in May 2006, will be divided into two parts. The *first* part will cover, in an integrated fashion and from a network architecture or system level viewpoint, topics such as analog and digital signals, the transmission requirements of different kinds of content – voice, data, image and video – the characteristics of various transmission media, the three types of switching – circuit, message and packet, and the concepts and importance of bandwidth and latency.

Dale Hatfield

This refresher on basic principles will provide a backdrop for the *second* part which will focus on wireless communications and address such topics as the notion of spectrum, the characteristics of different regions of radio spectrum, elements and performance of transmitter and receiver systems, and the basics of radio wave propagation. Hatfield will then draw

upon his four decades of experience in the field to trace how technological developments have supported the federal government's (i.e., the FCC and NTIA) efforts to reduce the rigidities in the rules and policies governing the management of the radio spectrum resource in the past and how subsequent developments in terms of software defined and "cognitive" radios are currently producing additional opportunities to introduce even more dynamic methods for managing that crucial resource.

To register, go to the FCBA website Calendar of Events or use the form on page 28.

3rd Annual MENTORING LUNCHEON

3rd Annual Mentoring Luncheon Held on May 8

The Diversity and Young Lawyers Committees held their 3rd Annual Mentoring Luncheon on May 8, 2008. The lunch was sponsored and hosted by Arnold & Porter LLP. The goal of the mentoring program is to give young lawyers the opportunity to network and discuss career questions with senior members of the bar. The Mentoring Luncheon also serves as a way to facilitate collegiality and friendships between senior and junior level attorneys within the FCBA and communications industry. This luncheon could not be possible, of course, without the generous support from area agencies, firms, and businesses that lent their senior and mid-level staff to serve as mentors.

This year the following attorneys participated as mentors: former FCC Commissioner **Kathleen Abernathy** (Akin Gump Strauss Hauer & Feld LLP), **William Cook** (Arnold & Porter LLP), **Diane Cornell** (Inmarsat Inc.), **Toni Cook Bush** (Skadden, Arps, Slate, Meagher & Flom LLP), **Renée Crittendon** (Federal Communications Commission), **Michele Farquhar** (Hogan & Hartson LLP), **Ben Golant**

(U.S. Copyright Office), **Erwin Krasnow** (Garvey Schubert Barer), former FCC Commissioner **Henry M. Rivera** (Wiley Rein LLP), **Margaret Tobey** (NBC Universal), former FCC Commissioner **Gloria Tristani** (Spiegel & McDiarmid), **Andrew Jay Schwartzman** (Media Access Project), **Curtis T. White** (Law Offices of Curtis T. White, P.C./Allied Communications), and **Richard R. Zaragoza** (Pillsbury Winthrop Shaw Pittman LLP).

The event highlight was a keynote address by **Henry M. Rivera**. Mr. Rivera gave an excellent speech noting the increase of diversity among the legal profession over the years. Mr. Rivera also provided practical and useful tips for young attorneys to be effective attorneys and regarding the importance of establishing mentoring relationships. The event concluded with **Michele Farquhar** recommending the book *A Lawyers Guide to Mentoring* as a resource for those involved in mentoring relationships.

Over the past two years, the Mentoring Luncheon has been well received by both mentors and mentees and is well on the way to becoming a staple in FCBA annual activities. The Committees are looking forward to another successful luncheon next year.

at Worthington Manor does a great job at setting up the course to be both challenging for the low-handicappers and fun for those of us with real day jobs.

This year's tourney will take place **Friday, June 6** with a Shotgun start at **8:45 a.m.** As in previous years, a scramble (Captain's choice) format will be used and the event is designed to ensure a fun day no matter whether your handicap is three, thirty or somewhere in between. All Eagle

Sponsor Foursomes compete for the coveted Eagle Trophy, and many, many other prizes will be awarded thanks to the generosity of our corporate sponsors. Registration includes round, driving range, light breakfast and barbeque lunch — plus a list of acceptable excuses not to return to the office on a pleasant Friday afternoon.

Most importantly, all proceeds go to the FCBA Foundation to support tuition grants for deserving District of Columbia High School graduates. As Stub Estey, one of the original organizers of the tournament would say, "What a great concept: Do good and have fun at the same time."

COMMITTEES AND CHAPTERS *in the Spotlight*

Judicial Practice Committee

The Judicial Practice Committee is co-chaired by **Don Verrilli**, a partner in Jenner and Block's appellate and media practices; **Sam Feder**, former FCC General Counsel and now also a partner with Jenner and Block; and **Josh Turner**, a partner in Wiley Rein LLP's telecom

litigation and appellate practices. The Judicial Practice Committee kicked the year off by hosting a well-attended lunch reception for Matthew Berry, the new FCC General Counsel. At the reception, FCBA members were able to meet Matthew and discuss the issues he sees as most pressing for the agency in a casual, relaxed environment. On June 10, the Judicial Practice Committee is continuing what has become an annual

tradition by hosting a year-end wrap-up CLE. This always-popular program will include a summary of how the FCC fared this year in court, presented by **Richard K. Welch**, Associate General Counsel at the FCC, as well as a panel discussion of the current Supreme Court Term, featuring a number of prominent members of the Supreme Court Bar.

Northern California Reception with Commissioner McDowell held May 7

The Northern California Chapter hosted a reception for FCC Commissioner McDowell during his trip to California to address venture capitalists in Silicon Valley. Commissioner McDowell gave a few prepared remarks and then took questions and answers from the audience, including surprise guest Larry Page, Google co-founder. Commissioner McDowell addressed questions ranging from network neutrality to universal service funding. The event was co-hosted by Google and was held at Google's headquarters in Mountain View, CA.

FCBA CONGRESSIONAL *Reception*

Successful FCBA Congressional Reception held April 29

The FCBA Congressional Reception honoring the 110th Congress held on April 29 was a huge success. Joining the FCBA as co-hosts of the reception this year were CEA, CTIA, NAB, SIA, TIA, and USTelecom. Members and staff of the Senate Committee on Commerce, Science and Transportation, the Senate Committee on the Judiciary, the Senate Committee on Homeland Security and Governmental Affairs, the House Committee on Energy and Commerce, the House Committee on the Judiciary, and the House Committee on Homeland Security attended. The reception provided an opportunity for FCBA members to meet and talk with committee staff and congressional staff, as well as with Senators and Representatives from the various committees who stopped by for the reception.

Thanks to the co-hosting associations – CEA, CTIA, NAB, SIA, TIA, and USTelecom – and the FCBA Legislative Committee Co-Chairs – Kelly Cole, Amy Levine, Chris Moore, and Paula Timmons – who helped make this such a great event!

Midwest Chapter

The Midwest FCBA Chapter had its third meeting this Spring on April 18th, 2008. The meeting was hosted by **Patrick Meehan** at the Chicago offices of Holland & Knight. Patrick is a founding member of the Florida FCBA Chapter. The topic for the meeting was *Broadband Development and Growth: Broadband data, mapping, deployment policies as well as ultra broadband (future stage of broadband development where users could have unlimited capacity)*. The guest speakers were **Robert Atkinson** and Michael Morris – Robert Atkinson is the Director of Policy Research, The Columbia Institute for Tele-Information (CITI), Columbia University, NYC, and Michael Morris manages the Video Franchising and Broadband Deployment Group, Communications Division, California Public Utilities Commission. The meeting was at capacity attendance with more than 35 attendees.

Central to the discussion was developing next-generation broadband markets, services and networks. Robert Atkinson outlined the business case for ultrabroadband service in markets with a very dense population (Chicago, New York, Boston, Paris). However, as populations become less dense, a business case for ultrabroadband gets weaker. Monthly subscription fees would have to be higher than today's broadband service rates to cover the cost of significant network upgrades. A question is whether there are sufficient numbers of customers that are willing to pay the increased cost for high-end, ultrabroadband service. Ultrabroadband upgrades could possibly remove competitive entrants since the cost of upgrading and maintaining a high-end network would be too high of a barrier for entry into a market for most companies.

For a complete review of the topic, see the Chicago Tribune article by Jon Van at: <http://www.chicagotribune.com/business/chi-mon-notebook-tech-broadband-may05,0,3858943.story>

FCBA ANNUAL SEMINAR 2008

Nearly 300 FCBA members and guests participated in the 2008 Annual Seminar at the Hyatt Regency Chesapeake Bay Resort in Cambridge, MD, May 2-4. For the second year, the FCBA offered a scholarship program for federal government employees and academics. The combination of scholarship recipients and the election-themed panelists contributed to a diverse attendance at the Seminar. We also lucked out with beautiful weather!

The seminar opened again this year with the FCC Bureau Chiefs panel, including **Matthew Berry**, General Counsel, **Monica Desai**, Media Bureau, **Helen Domenici**, International Bureau, **Julius Knapp**, Office of Engineering and Technology, **Kris Monteith**, Enforcement Bureau, and **Cathy Seidel**, Consumer & Governmental Affairs Bureau. **Linda Kinney** and **Jeanine Poltronieri** moderated the panel. Representatives of these four bureaus and offices laid out their priorities for the coming year, fielded questions on such topics as spectrum policy, public safety and media ownership and participated in a lively Bureau and Office Chief trivia contest. The Chiefs panel was followed by the "Changing Role of Technology in the Election Process" panel moderated by **John Rogovin** and **Bryan Tramont**, which featured representatives of the three remaining presidential campaigns, including **Jonathan Sallet**, representing Senator Clinton's campaign, **Larry Strickling**, representing Senator Obama's campaign, and **Ryan Waite**, representing Senator McCain's campaign. This panel was a big hit among attendees, bringing to life some of the issues that the innovative use of communications and new media technologies raise in the current campaign environment.

Friday evening, everyone enjoyed a family style dinner at The River's Edge Outdoor Pool Area. Tables were set up outside by the pool with a spectacular view overlooking the Choptank River. The weather was perfect for an evening of socializing and relaxing. Members

and guests also enjoyed the always-popular bingo party sponsored by AT&T.

The Saturday session opened with the "Transitions Ahead: Technology, Policy, Politics and the Industry" panel featuring **Rick Chessen**, Senior Legal Advisor, Office of Commissioner Copps; **Renee Roland Crittendon**, Legal Advisor, Office of Commissioner Adelstein; **George Reed-Dellinger**, Washington Analysis; **Paul Gallant**, Stanford Washington Research Group; and **Christopher Moore**, Legal Advisor, Office of Commissioner Tate. **Ken Ferree** of the Progress and Freedom Foundation and **Edie Herman** of Warren Communications News, moderated the panel. The topics ranged across the communications landscape, providing insights on a variety of issues that will be on the radar screen over the coming months.

Following that session, FCBA President **Diane Cornell** had a conversation with **FCC Commissioners Adelstein** and **McDowell**. The Commissioners shared their views on what the priorities should be for a new Administration, as well as their insights on such topical issues as broadband management, D block, media ownership and universal service reform.

Saturday afternoon, competitive participants played in the golf tournament or tennis match, while others enjoyed a cruise of the Choptank River.

Winners in the golf tournament, sponsored by Verizon, were: *First Place (Gross)* **Tom Navin, Bob Quinn, Mike Senkowski** and **Nancy Victory**; *First Place (Net)* **Matthew Berry, Robert Branson, Robert Kelly** and **Christina Werner**; *Men's Closest to the Pin*: **Rick Askoff**; *Men's Longest Drive*: **Kevin Goldberg**; and *Women's Longest Drive*: **Kerry Murray**.

The Annual Seminar Raffle was a huge success. **Young Lawyers** sold a record number of tickets, raising \$6,000 dollars for the FCBA Foundation Robert E. Lee Scholarship and Internship Fund that gives D.C. high school graduates the opportunity to attend college. At the Saturday night dinner, **Lee Petro**, Chairman of the FCBA Foundation, once again thanked Pioneer-USA, Inc. for their generous donation of a 50" 1080p KURO Flat Panel HDTV. Congratulations to the lucky raffle winner, FCBA President-Elect **Mark Schneider**, who, on behalf of Sidley Austin LLP, generously offered to donate to the FCBA Foundation Scholarship Fund an amount equivalent to the cost of the television. Sidley Austin LLP has doubled his pledge, and the firm is now the Sponsor of a \$12,000 Foundation Scholarship.

Saturday evening, members and guests enjoyed the seminar banquet and the highlight of the evening – live music from the band Rollex.

Special thanks to the Annual Seminar Co-Chairs **Scott Harris, Linda Kinney, Jeanine Poltronieri**, and **Charla Rath** for their leadership in planning the seminar program and to participating Annual Seminar Committee members for their assistance. **Scott Harris** did a tremendous job finding a record number of sponsors for the event.

Foundation Seeks Mentors for Scholarship Recipients

The Foundation is looking for FCBA members interested in serving as a mentor to one of the recipients of a 2008 FCBA Foundation college scholarship. As a mentor, you would be asked to initiate a few communications throughout the year with your mentee as they embark upon and pursue their college careers. The scholarship recipients, all of whom come from Washington, D.C. high schools, will be entering college in the fall of 2008. In addition to the Foundation's scholarship, the mentoring program provides a less tangible way the Foundation is able to support these students. Few if any of the scholarship recipients have any family members who have ever attended college who can help them adjust to the new environment and expectations that college presents to a student. It takes little time, but can be very rewarding as you watch your mentee progress through their college career. If you are interested in serving as a mentor, or have any questions regarding the mentoring program, please contact **Lee Petro** at petro@fhhlaw.com.

Mass Media Practice Committee to Volunteer at Martha's Table – June 29

On **Sunday, June 29, 2008**, from **10:00 a.m. to 1:00 p.m.**, members of the FCBA's Mass Media Practice Committee will be preparing and distributing food at Martha's Table, located at 2114 14th Street, N.W., in D.C., near the intersection of 14th and U Streets. The FCBA has been meeting monthly to

volunteer at Martha's Table for many years. On the last Sunday of each month, one of the FCBA's Committees takes the lead in staffing this volunteer effort. Volunteers are asked to bring food if possible, (e.g., cold cuts, bread, peanut butter, jelly, vegetables and potatoes) because the center often runs out of donated food. If you are interested in participating, please contact **David O'Connor** at david.oconnor@hklaw.com.

The FCBA volunteers on the **last Sunday of every month** from 10:00 a.m. – 1:00 p.m., so mark your calendars now. This labor of love typically involves 5 to 15 volunteers, often organized by a particular FCBA Committee. However, all are encouraged to come, including friends and children. Another example of the FCBA's commitment to "put back" into the community where we live. If you want to join the Martha's Table brigade and are willing to wear a hairnet, an apron, and gloves, please call or email **Howard Weiss** at 703-812-0414 or weiss@fhhlaw.com.

McKenna's Wagon Seeking Volunteers for June 22

McKenna's Wagon is a mobile soup and sandwich wagon that goes "on location" to deliver food to the needy. For those who have volunteered, it has been a wonderful experience and a great way to help the needy in the D.C. community. This is an especially good experience for the teens and pre-teens among us who do not have a full appreciation of the many privileges they enjoy. Community service credits are also available.

The Wagon is a white van that is loaded up with sandwiches, snacks and soup. We meet at Martha's Table at 4:45 pm in comfortable clothes and shoes. Martha's

Table is located in a yellow building at 2114 Fourteenth Street, NW, in the District, near the intersection of 14th and U Streets. On-street parking is available.

Upon arrival we get assignments (some of us will distribute snacks and sandwiches, others will serve soup), and put on aprons before we depart in the van to 5th and New York Ave., NW (near the new Convention Center). We are driven by one of our experienced volunteers and the trip to distribution location takes about 10-15 minutes.

We serve about 30-75 people per visit including a few mothers who come for food for their families. The area is well patrolled by police. The food distribution is conducted in an efficient, calm and orderly fashion and many of the people we serve are quite appreciative of our efforts. Once we serve all of the food, we do a clean up of the immediate area. Total time for the distribution takes about one hour and we usually return to Martha's Table by or before 6:30 pm.

We would love to have you join us on one of our upcoming food runs which are always on the **4th Sunday of the month**. If you are able to volunteer on **June 22nd** or for a future date, please contact **Marlo Go** at MGo@ctia.org or **Tom VanWazer** at tvanwazer@sidley.com.

FCBA 2008 Election: Have You Voted Yet?

This year, the FCBA annual election is being held electronically, rather than by paper ballot. It is hoped that by making the voting process very quick and easy, more FCBA members will take the time to vote and participate in the election process.

On May 13, 2008 an email was sent to all members eligible to vote in the election from FCBA_Annual_Election@fcba.org, giving each voting member their login and password for the voting process, and a hotlink to the voting web site. As of today, 21% of the members eligible to vote had cast a ballot.

If you didn't get the original email, you may find that it was trapped by a spam or junk email filter on your mail server or perhaps by Outlook or a filter on your desktop computer. If you cannot locate the email, please contact FCBA Executive Director Stan Zenor, stan@fcba.org, and another email will be sent with your login and password, and the hotlink to the voting site.

Voting will close at 6:00 p.m., EST on June 13, 2008. Election winners will be announced at the Annual Luncheon and will be published in the *July FCBA News*.

Interested in Hosting an FCBA event?

The FCBA greatly appreciates the support of our members' firms and companies who provide space for our brown bag lunches, committee meetings, and CLE Seminars throughout the year. We are, however, always looking for new locations that can host FCBA events. We will be experimenting with some new presentation technology in future CLE seminars, which require more technical support than we have needed in the past.

In general terms, we need conference rooms that can seat at least 30 (more if possible) people at tables for brown bag lunches and committee meetings and conference rooms that can seat a minimum of 60 for CLE seminars. Firms and companies hosting brown bag lunches provide beverages and desserts; firms and companies hosting CLE seminars provide beverages and snacks. CLE seminars are generally held from 6:00 – 8:30 p.m. Additionally, for CLE seminars we need facilities that can provide technology support for microphones for as many as six speakers on a panel, the ability to tie the house sound system into a teleconference bridge, video projection capabilities for PowerPoint presentations, and access to the internet for presentations by speakers. If your firm or company has the needed conference room facilities and capabilities and would be willing to host future FCBA activities, please email **Stan Zenor**, stan@fcba.org, or **Kerry Loughney**, kerry@fcba.org.
